Invitation

The fundamental aim of this International convention is to bring together leading academic Scientists, Researchers and Industrialists to exchange ideas, experiences and research results in their ongoing project.

Micro Infectious diseases 2021 is designed in such a way to attract people around the globe from both industry and academia that helps to create a scientific network between them. We the team of Micro Infectious diseases 2021 cordially invite all concerned people to Virtual Platform from academic research as well as from industries to come and join us at our esteemed convention and make it a successful event by your valuable presence.

Micro Infectious diseases 2021 is delighted to welcome attendees, presenters, collaborators and exhibitors from all over the globe. We are glad to invite you all to attend and register for our reputable Conference Micro Infectious diseases 2021. This event will be organized around the Theme "**Novel Research Discerning for a Disease-Free Existence**". Our objective is to deliver an excellent program which covers the entire spectrum of Research & Innovations and Impact in the field of Microbiology which includes bacteriology, virology, mycology, parasitology and immunology.

This conference provides scope and experience for all eminent participants to grab the advancements in the field of Microbiology and to expose their research work across the global network and expose an international gathering on life sciences.

Regards

Micro Infectious diseases 2021
Organizing Committee

Conference Highlights

1. Coronavirus Diseases (COVID-19)
2. Epidemiological Diseases
3. Causes and Prevention of Infectious Diseases
4. Antiviral\Antibiotic\Antimicrobial
5. Infection and Immune System
6. Vaccines Research and Development
7. Bacterial Infectious Diseases
8. Viral Infectious Diseases
9. Veterinary diseases
10. Fungal Infectious Diseases
11. Clinical Case Report
12. Blood Infectious Diseases
13. Clinical and Molecular Microbiology
14. Pandemic and Epidemic Diseases

Agenda

Day-01 October 4, 2021

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Coronavirus Diseases (COVID-19) | Epidemiological Diseases
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Causes and Prevention of Infectious Diseases | Antiviral\Antibiotic\Antimicrobial
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Infection and Immune System | Vaccines Research and Development

Day-02 October 5, 2021

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Bacterial Infectious Diseases | Viral Infectious Diseases | Veterinary diseases
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Fungal Infectious Diseases | Clinical Case Report | Blood Infectious Diseases
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Clinical and Molecular Microbiology | Pandemic and Epidemic Diseases
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes	

Tentative
