Invitation

The fundamental aim of this International convention is to bring together leading academic Scientists, Researchers and Industrialists to exchange ideas, experiences and research results in their ongoing project.

Microbiology 2020 is designed in such a way to attract people around the globe from both industry and academia that helps to create a scientific network between them. We the team of Microbiology 2020 cordially invite all concerned people to UAE from academic research as well as from industries to come and join us at our esteemed convention and make it a successful event by your valuable presence.

Microbiology 2020 is delighted to welcome attendees, presenters, collaborators and exhibitors from all over the globe. We are glad to invite you all to attend and register for our reputable Conference Microbiology 2020. This event will be organized around the Theme "**To bring out Macro battle against Microorganisms**". Our objective is to deliver an excellent program which covers the entire spectrum of Research & Innovations and Impact in the field of Microbiology which includes bacteriology, virology, mycology, parasitology and immunology.

This conference provides scope and experience for all eminent participants to grab the advancements in the field of Microbiology and to expose their research work across the global network and expose an international gathering on life sciences.

Regards

Microbiology 2020
Organizing Committee

Conference Highlights

- Bacteriology
- Virology
- Parasitology
- Mycology
- Food Microbiology
- Environmental Microbiology
- Medical Microbiology
- Diseases caused by Microbes
- Industrial Microbiology
- Microbial Biofilms
- Diagnosis and treatment of microbial infections
- Infection control
- Autoimmune diseases
- Vaccines
- Pathology & Oncology
- Infectious Diseases

Agenda

Day-01 September 20, 2020

Time	Session
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: will update soon
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: will update soon
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: will update soon

Day-02 September 21, 2020

Time	Session
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: will update soon
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: will update soon
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: will update soon
16:00-16:15	Network & Refreshments Break*

Day Concludes	

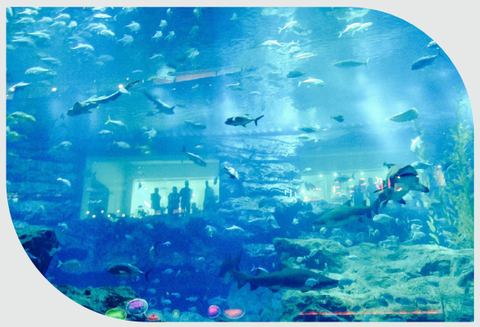

Tentative

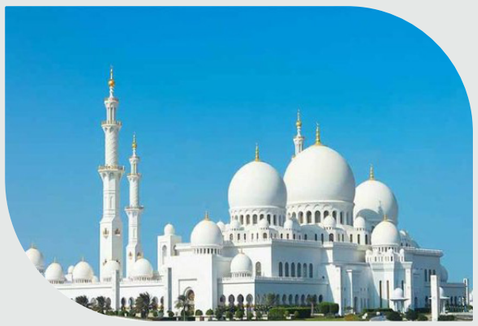

Tourist Attractions

Venue

Dubai is the largest and most populous city in the United Arab Emirates (UAE). On the southeast coast of the Persian Gulf, it is the capital of the Emirate of Dubai, one of the seven emirates that make up the country. It is a global city and business hub of the Middle East. Dubai receives millions of leisure and business visitors each year from around the world. The UAE is growing as an education hub, with many international higher education institutions setting up here, catering to transnational students from across the world.

Tourist attractions in Dubai:

There are a lot of tourist attractions in Dubai. Dubai received 15.92 million tourists from all around the world in 2018. To maintain such an influential position in the tourism industry they have been known to create magnificent tourist attractions.
