8th INTERNATIONAL CONFERENCE ON

MICROBIOLOGY AND INFECTIOUS DISEASES

DECEMBER 05-06, 2022 | DUBAI, UAE

https://microbiology.pulsusconference.com/

INVITAION

MICROBIOLOGY 2022

On behalf of Pulsus Webinar Committee, we are honoured and delightful to welcome you to the 8th International Conference on Microbiology and Infectious diseases webinar to be held virtually dated on July 25-26, 2022 which include Attendees, Speakers and all other research experts from worldwide expect to provide Keynotes and various set of circumstances for informal networking. This premium interdisciplinary(Online) conference bring together Academic Researchers, Professionals, Delegates, Entrepreneurs and Industrialists from around the world to share and exchange all the latest updates, advancements in the aspects of Microbiology .

The planning committee has organized a comprehensive scientific and educational program as a part of whole Keynote Lectures, Young Research Forum Lectures, educational workshops, scientific symposia, video presentations, E-poster presentations. This webinar will assist with extending the knowledge in regards to Microbiology and infectious disease.

We are extremely delighted to welcome you to the Microbiology 2022.

Regards
Liana Duchess | Microbiology 2022
Organizing Committee

CONFERENCE HIGHLIGHTS

- Infectious diseases
- Infectious prevention
- Pathogenicity and Virulence
- Environment Microbiology:
- Emerging and Re-emerging diseases:
- Antimicrobial Agents
- Prebiotics and Probiotics
- Microbiology and Microbes
- Host-pathogen Interactions
- Veterinary Microbiology

35
Years Excellence

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for Scientists and Researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between Universities, Institutions, research bodies and Organizations from different countries through International Conferences and Meetings.

Pulsus Group is an International Renowned Medical peer-review publisher and conference organizer established in the year 1984 publishes and hosts the work of Researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of more than 35 years of excellence in Medical Publishing we are endorsed by various societies like World Association of Medical Sciences, International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, International Society for Ceramics in Medicine, Thalassemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Statistical surveying examinations are comprehensive of important information and data concerning the Global Microbiology market values by district conjecture to 2028, relating data is supposed to go through Compound yearly development of 8.63% in the time figure period. Sudden development seen in the matured Population, in the field of Clinical Microbiology by a rising number of clinical scientists drives the microbial science testing business sector to recognize clinically significant microorganisms that are impelling the trade development. These drive the development of the Microbiology testing business sector and build the frequencies of irritation sicknesses prompting a flare-up of pandemics, for example, COVID 19, these arising economy set forward new rising extension for the Microbiology testing market all through the figure period. In light of clinical preliminaries and a rising number of administrations exceptionally rule the interest of the market. Present and time ahead testing market investigates various prerequisites of market viewpoint in the turn of events and developing business sectors. The market for applied microbial science was esteemed at over USD 24.3 billion in every 2017 and is supposed to develop at a 7.9% CAGR from 2017 to 2024, outperforming USD 675.2 billion. It is a one-of-a-kind mix of essential and optional examinations at Global Market Insights, with approval and modifications, to limit differences and give the most reliable investigation of the business.

TARGET AUDIENCE

- Biotechnologist
- Microbiologist
- Cellular biologist
- Bacteriologist
- Nano technologist
- Immunologist
- Pathologist
- Ecologist

WHO SHOULD ATTEND

- Epidemiologist
- Haematologist
- Pharmacologist
- Biomedical Scientist
- Biomedical student
- Clinical Scientist
- Clinical Research Associate
- Health Care Professionals
- Medical Device Companies
- Pharmaceutical Companies
- Microbiology Research Institutes

WHY TO ATTEND

Microbiology 2022 is an international platform for presenting and exchanging ideas about emerging and re-emerging diseases. To this Webinar we would like to engage and bringing together a significant number of distinguished academics and industry in an interdisciplinary platform (online) to provide the comprehensive overview of current research and discoveries together you will explore the challenges and opportunities in converting research towards commercialization in the field-Microbiology. This premium interdisciplinary (Online) conference includes Academic Researchers, Professionals, Delegates, Entrepreneurs and Industrialists from around the world to share and exchange all the latest updates, advancements in the aspects of Microbiology.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $75000

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth
