About Pulsus:

- PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.
- Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.
- Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

About City

Charlotte is the second largest city in the southeastern United States. Charlotte is home to the corporate headquarters of Bank of America and the east coast operations of Wells Fargo, which along with other financial institutions makes it the second largest banking center in the United States. Charlotte has a humid subtropical climate. The city is located several miles east of the Catawba River and southeast of Lake Norman, the largest man-made lake in North Carolina. Lake Wylie and Mountain Island Lake are two smaller man-made lakes located near the city. Charlotte has nine Fortune 500 companies in its metropolitan area. In 2013, Forbes named Charlotte among its list of Best Places for Business and Careers. The Charlotte region is home to many annual festivals and special events. The Carolina Renaissance Festival operates on Saturdays and Sundays each October and November. Located near the intersection of Highway 73 and Poplar Tent Road. Charlotte is home to two major professional sports franchises: the Carolina Panthers of the National Football League (NFL) and the Charlotte Hornets of the National Basketball Association. Charlotte constitutes most of Mecklenburg County in the Carolina Piedmont. Charlotte center city sits atop a long rise between two creeks, Sugar Creek and Irwin Creek, and was built on the gunnies of the St. Catherine's and Rudisill gold mines.
