12th INTERNATIONAL CONFERENCE ON

MICROBIOLOGY

DECEMBER 05-06, 2022 | DUBAI, UAE

https://microbiology.cmesociety.com/

INVITAION

MICROBIOLOGY CONGRESS 2022

Microbiology congress 2022 like to engage and bringing together a significant number of distinguished academics and industry in an interdisciplinary platform to provide the comprehensive overview of current research and discoveries together you will explore the challenges and opportunities in converting research towards commercialization in the field-Microbiology.

This premium interdisciplinary conference bring together Academic Researchers, Professionals, Delegates, Entrepreneurs and Industrialists from around the world to share and exchange all the latest updates, advancements in the aspects of Microbiology. The planning committee has organized a comprehensive scientific and educational program as a part of whole Keynote Lectures, Young Research Forum Lectures, educational workshops, scientific symposia, video presentations, E-poster presentations. This conference will help to widen the knowledge regarding emerging microbiology. It's now or never to take advantage of the opportunity to encourage your Research publication by attending the congress. We are prophesy anticipate your progress and untiring adherence to make sure Microbiology Congress 2022 a success. The conference officially welcomes the dynamic scholars, academicians, specialists, and student delegates and appreciates your presence, with a greater emphasis on the critical advancement of progressions and innovative solutions via the most cutting-edge technologies and Practices in microbiological based research.

We are extremely delighted to welcome you to the Microbiology Congress 2022.

Regards
Liana Duchess | Microbiology Congress 2022
Organizing Committee

CONFERENCE HIGHLIGHTS

- Microbial Microbiology
- Clinical Microbiology
- Microbial Biostatics
- Microbiology in Science
- Microbial Biochemistry
- Food and Dairy Microbiology
- Microbial Technology
- Microbial Physiology
- Industrial Microbiology
- Microbial Inflammation
- Microbial Biotechnology
- Microbial Neurology
- Molecular Biology
- Molecular Genetics
- Scope of Microbiology

35
Years Excellence

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for Scientists and Researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between Universities, Institutions, research bodies and Organizations from different countries through International Conferences and Meetings.

Pulsus Group is an International Renowned Medical peer-review publisher and conference organizer established in the year 1984 publishes and hosts the work of Researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of more than 35 years of excellence in Medical Publishing we are endorsed by various societies like World Association of Medical Sciences, International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, International Society for Ceramics in Medicine, Thalassemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Market research analyses is inclusive of consequential data and information concerning the Global Microbiology market values by region forecast to 2028, pertaining information is expected to undergo Compound annual growth of 8.63% in the time forecast period. Abrupt growth perceives in the aged Population, in the field of Clinical microbiology for an increasing number of clinical researchers drives the microbiology testing market to identify clinically consequential microorganisms that are propelling the commerce growth. These drive the growth of the Microbiology testing market and increases the incidences of inflammation diseases leading to the outbreak of pandemics such as COVID 19, these emerging economy put forward new rising scope for the Microbiology testing market throughout the forecast period. Based on clinical trials and an increasing number of services highly dominate the demand of the market. Present and time ahead testing market analyses different requirements of market outlook in the development and emerging markets. The forecast period segmented is expected to influence the regions to witness the fastest growth in the market. The present market is statistically studied to show the abrupt microbiology testing market growth scenario

TARGET AUDIENCE

- Biotechnologist
- Microbiologist
- Cellular biologist
- Bacteriologist
- Nano technologist
- Immunologist
- Pathologist
- Ecologist

WHO SHOULD ATTEND

- Academic researcher
- Universities/ Training institute
- Biomedical Scientist/ Student
- Clinical Scientist/ research associate
- Epidemiologist
- Haematologist
- Pharmacologist
- Students
- Professors
- Researchers and Scientist
- Medical companies

WHY TO ATTEND

Microbiology Congress 2022 is an international platform for presenting research about diagnosis, prevention and management and exchanging ideas about it and thus, contributes to the dissemination of knowledge in in the field of Microbiology for the benefit of both the academia and business. TMicrobiology organizing committee aims to bring eminent speakers and link the researchers and scientists from all around the globe. We come up with the forum for equity sharing of the ideas furthermore, the potential for educators to think in several dimensions which encourage narrative ideas that is essential for the study and understanding of all life on this planet. This brings all the affable together under same canopy with contemporary progression.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)

ABOUT VENUE

The Emirate of Dubai is the second largest of the seven United Arab Emirates but has the largest population. Dubai's cityscape is always transient and ever-changing with its constant urge to construct bigger and better than before. If there was a Palm Island, Nakheel thought of the World Island. Burj Al Arab was eclipsed when Burj Khalifa cropped up. Size has been synonymous with Dubai as it continues to push the boundaries of construction. Dubai has been building the first, largest and biggest structures in the world over the past few decades. Dubai's cityscape is always transient and ever-changing with its constant urge to construct bigger and better attractions than before. Dubai constantly competes with itself, trying to magnetize tourists to a dream-like world of attractions. Dubai has emerged as a cosmopolitan metropolis that has grown steadily to become a global melting pot as well as a business and cultural hub. A first-time visitor to Dubai might get overwhelmed with the exciting attractions, activities, shopping and nightlife.
