35 YEARS IN ASSESING THE IMPACT OF HEALTHCARE RESEARCH

Amsterdam, the capital of Netherlands is referred to as the “Venice of the North”, due to the large number of canals which form a UNESCO World Heritage Site. Amsterdam’s main attractions include its historic canals, the Rijksmuseum, the Van Gogh Museum, the Stedelijk Museum, Hermitage Amsterdam, the Concertgebouw, the Anne Frank House, the Scheepvaartmuseum, the Amsterdam Museum, the Heineken Experience, the Royal Palace of Amsterdam, Natura Artis Magistra, Hortus Botanicus Amsterdam, NEMO, the red-light district and many cannabis coffee shops.The city is also well known for its nightlife and festival activity. The Midwifery 2022 conference is scheduled here so that the participants will have a pleasant learning time at day and a fun touristic time at night..

The bell tower of the Royal Palace and its location in Dam Square, the heart of Amsterdam’s city centre, reveal its original purpose. It’s no surprise that it resembles a northern European city hall: it was Amsterdam’s principal administration structure for just over 150 years. Because it was created during the Dutch Golden Age to demonstrate the Low Countries’ newfound wealth, Amsterdam’s Royal Palace is more grandiose than your average town hall. Since King Willem-Alexander now resides in the Hague, the palace receives guests daily (except for Mondays). Royals only use it for official receptions on occasion. Schiphol Airport is Europe’s third largest airport and a major air traffic hub. It is also the home airport for the Dutch airlines KLM and Transavia. Discover the best places to visit in this dynamic city with our list of the top attractions and fun things to do in Amsterdam.
