7TH INTERNATIONAL CONFERENCE ON NANOMATERIALS RESEARCH

DECEMBER 07-09, 2023 | MADRID, SPAIN

https://nanomaterials.pulsusconference.com/

INVITATION

NANOMATERIALS 2023

We are delighted to welcome you all to our forthcoming Nanomaterials Conferences 2023, the "**7th International Conference on Nanomaterials Research**", which will take place in **December 07-09, 2023 Madrid, Spain**. The Organizing Committee of Nanomaterials Conferences 2023 is delighted to extend an invitation to our recognized Nanomaterials Conference 2023 to each of you. We are dedicated to offering people the most recent information on the Nanotechnology and Nanomaterials industry. The Nanomaterials Conferences 2023 are supposed to be a forum, a platform for networking, and a place for academics, researchers, professionals, administrators, educational leaders, and representatives from business and industry. We are anticipating your significant involvement in the Nanomaterials Conferences 2023, where we will present cutting-edge findings in Nanomaterials and Nanotechnology. The theme of the Nanomaterials Conferences 2023 is "Energizing the Thrive of Nanomaterials and Nanotechnology," which encompasses the background, present circumstances, and future forecasts of Nanomaterials and Nanotechnology. In scheduled sets of keynote sessions, plenary presentations, special sessions, Exhibitions and workshops that address major components of research, case studies, and education. We will go into further detail on these subjects at Nanomaterials Conferences 2023. Nanomaterials, Nanotechnology, Nanoscience, Biomaterials, Material Science, Nanophysics, Nanorobotics, Nanomedicine, and Nano chemistry are wide range of topics covered during the Nanomaterials Conference 2023. We are glad to welcome aspiring authors to submit their original works to this significant event- Nanomaterials Conferences 2023, where you can be guaranteed to interact meaningfully with academics and specialists from other cultures and nations in the field of Nanomaterials and Nanotechnology.

The organizing committee is eager to meet you in Madrid, Spain.

Regards
Nicola Rachael | Nanomaterials 2023
Organizing Committee

CONFERENCE HIGHLIGHTS

- Advanced Nanomaterials
- Device Investigation on Nanoparticles
- Nanomedicine
- Nanorobotics
- Pharmaceutical Nanotechnology
- Metallurgy and Soft Materials
- Biomaterials
- Nanomaterials and Nanotechnology
- Nanoelectronics and Nanophotonics
- Nanobiotechnology
- Nanosensors and Nanofluidics
- Graphene and Carbon Nanotubes
- Application of Nanotechnology
- Polymer Nanotechnology
- Nanoscience
- Nanochemistry
- Cancer Nanotechnology
- Nanotechnology risk and safety assessment
- Nanomaterials & Nanotechnology 2023 - Whats New?

https://nanomaterials.pulsusconference.com/abstract-submission

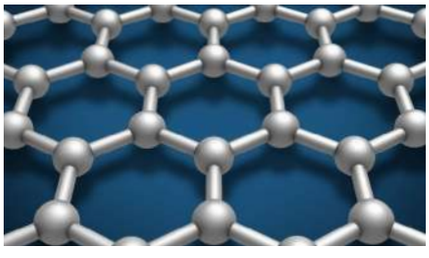

35

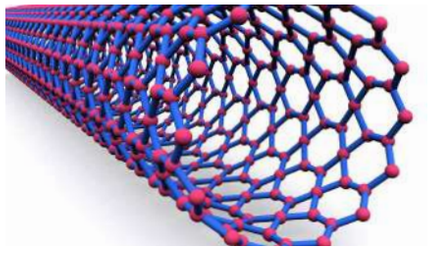

ABOUT US

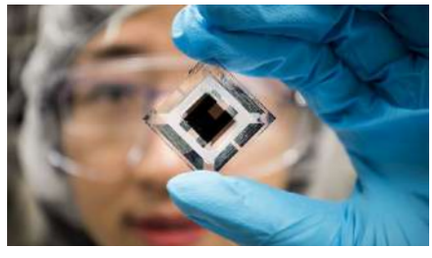

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Nanomaterials have provided the greatest driving force to technological and industrial development in the twenty-first century and are expected to have a significant impact on Nanomaterials with several sectors of the global economy, including Nanomaterials, nanotools, and nanodevices, as evidenced by double-digit growth rates. And has been identified as a potential resource for the next industrial revolution. Nanomaterials products are now entering the consumer market, which has had a significant impact on the industrial sector at both Nanomaterials and Nanotechnology hence the authoritative views by leading scientists in healthcare as well as business leaders and investors in this exciting field is the main objective at Nanomaterials Conferences 2023. The global Nanomaterials market is expected to overcome US 125 billion by 2025 with that Nanotechnology market is driven by Nanomaterials. This includes industrial Nanotechnology applications such as nanoparticle-based nanolithography tools, nanoscale electronic memory, sunblock products, and nano catalyst thin films and nano-thin film solar cells that are well developed. The nanodevices segment accounted for the smallest share of the global Nanotechnology and Nanomaterials market. Nanotools and Nanomaterials held the second largest share of the Nanotechnology market with the help Nanomaterials. The global nanotools and Nanomaterials component market is dominated by nanolithography tools with that of Nanomaterials. Throughout the forecast period, biomedical, consumer, and electronics applications should exhibit the highest Nanomaterials projected CAGR rates (29.9%, 27.9%, and 20.5%, respectively)

TARGET AUDIENCE

- Nanomaterials and Nanotechnology Researchers
- Nanomaterials and Nanotechnology Specialists
- Nanomaterials and Nanotechnology Engineers
- Advanced materials and technology Engineers
- Nanomaterials Young Scholars and Students
- Nanotechnology Associations and Societies
- Nanomaterials Associations and Societies
- Business delegates
- Related Universities
- Company's in the field of Nanomaterials and Nanotechnology

WHO SHOULD ATTEND

- Nanomaterials Scientists
- Nanotechnology Engineers
- Nanomaterials Companies
- Nanotechnology Companies
- Nanotechnology Associations
- Professors, Nanoscience Young Scholars and Students
- Business delegates
- Industrial Leaders and CEO
- Nanotechnology Associations and Societies
- Physicists/Chemists
- Researchers from Material Science Polymer Science, Biotechnology

WHY TO ATTEND

With Nanomaterials 2023, oral presentations, posters, seminars, and numerous interactive sessions offered by keynote speakers who shed light on the topic of Nanomaterials and Nanotechnology are all included. In order to develop the field of Nanomaterials and Materials Science, this conference is focused on showcasing the most cutting-edge methods of advanced techniques and technology. Our mission is to provide an excellent curriculum that covers the whole range of research and advancesinNanomaterialsandNanotechnologyandsharesthecross-culturalexperiencesofdiversetechnologyandtechniques.

- Influential keynote speaker session
- 5+ Workshops
- 19 Interactive sessions based on evidence from 30+ Speaker
- Accepted Abstracts will be published in reputed indexed journals
- A mix of academic and healthcare delegations
- Acknowledgment to your profile and research and it will be visible to 35K researchers across the globe

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR
$10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR
$7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR
$5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Muhammad Atif
King Saud University, Saudi Arabia

Ehsan Espid
University of British Columbia, Canada

Alex Hariz
University of South Australia, South Australia

Terry M. Tritt
Clemson University, US

Yang Yang
Engineering University of Central Florida, USA

Daniela Manno
University of Salento, Italy

SUPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

Journal of Nanoscience and Nanomedicine
https://www.pulsus.com/journal-nanoscience-nanomedicine.html

Journal of Materials Engineering and Applications
https://www.pulsus.com/journal-material-science-engineering-applications.html

CONFERENCE AGENDA/ TENTATIVE PROGRAM

DECEMBER 07- 2023 | THURSDAY	
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Nanomaterials | Nanotechnology | Crystal Engineering
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Bio- Materials | Device Investigation on Nanoparticles
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Nanoscience and Nanomedicine | Nanoelectronics and Nano Photonics
DECEMBER 08 - 2023 | FRIDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Nanobiotechnology | Nanorobotics
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Pharmaceutical Nanotechnology | Cancer Nanotechnology
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Green Nanotechnology | Food Nanotechnology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Polymer Nanotechnology | Nano Chemistry
DECEMBER 09 - 2023 | SATURDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Metallurgy and Soft Materials | Application of Nanotechnology
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Nanosensors and Nanofluidics | Nanobiotechnology | Biomaterials
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Nanomaterials & Nanotechnology 2023 - Whats New?
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations

In the enchanting month of December, Madrid, Spain, takes on a whole new allure, welcoming visitors with open arms to a realm of festive enchantment and cultural riches. The city's streets, illuminated with a myriad of lights and decorations, exude an inviting warmth as winter sets in. Among the most iconic thoroughfares, the bustling Gran Vía and the lively Puerta del Sol become beacons of holiday cheer, setting the stage for a memorable exploration.

Nestled within this seasonal backdrop are Madrid's timeless tourist destinations, each offering a unique facet of the city's charm. The Royal Palace stands as a testament to opulence and history, inviting visitors to step into a world of regal splendor. Just a stone's throw away, the Plaza Mayor transforms into a magical Christmas market, where artisans and vendors showcase traditional crafts, creating a delightful blend of history and holiday festivities.

Art aficionados are treated to an array of world-class museums, with the Prado Museum taking center stage. Its hallowed halls house masterpieces by European luminaries, providing an unparalleled journey through artistic epochs. The Thyssen-Bornemisza Museum complements this experience, offering an eclectic array of art that spans centuries and styles. As December draws to a close, Madrid's New Year's Eve celebrations at Puerta del Sol bring the city's energetic spirit to the forefront, as revelers join together for the iconic grape-eating tradition, ushering in a fresh start with fervor and joy.

In this month of December, Madrid weaves a tapestry of history, art, and festivity, offering an enriching experience for every traveler. Amidst the backdrop of illuminated streets and cultural treasures, the city invites all to embrace its unique blend of tradition and modernity, creating memories that will undoubtedly last a lifetime.

Abstract submission opens: July 06, 2023 | **Registration opens:** July 06, 2023
Early bird registration: September 06, 2023 | **Final call:** December 06, 2023
