# INTERNATIONAL CONFERENCE ON

# NANOMATERIALS AND NANOTECHNOLOGY

AUGUST 24-26, 2023 | MELBOURNE, AUSTRALIA

https://nanomaterials.cmesociety.com/

# INVITATION

## NANOMATERIALS 2023

We are delighted to welcome you all to the Annual Congress on Nanomaterials and Nanotechnology scheduled during August 24-26, 2023 in the enhancing city of Melbourne, Australia which is best known for its cultural life.

We are excited about the opening to go to an innovative conference and reach wider followership than a conference could potentially encompass. Researchers from all over the world are anticipated to laboriously share in this event.

Nanomaterials 2023 has been intended to associate the different professions across the world in the submit to connect people who have a passion for various fields of nanoparticles, nanophysics, nanoscience, nanorobotics, and nanochemistry. We believe that you'll utilize this event to fortify the abiding connection and spark a new peer around the world.

It's our pleasure to invite all concerned individuals to come to go along with us at our occasion and make it fruitful with your support. Nanomaterials 2023 will probably convey an extraordinary program that screens the whole range of advancements and current research in nanomaterials and also offers culturally diverse encounters of associated techniques.

Regards,

Olivia Cason | Program Manager

Organizing Committee | Nanomaterials 2023

## CONFERENCE HIGHLIGHTS

- Nanomaterials
- Nanoparticles
- Nanophysics
- Nanorobotics
- Functional Nanomaterials
- Nanoscience and Technology
- Nano Electronics
- Material Science
- Nano Chemistry
- Nanomedicine
- Carbon Nanomaterials
- Nano Coatings
- Scope of Nanomaterials
- Nano Satellites
- Nanomaterials Manufacturing Technologies
- Nanomaterials in Food, Agriculture
- Future of Nanomaterials

## ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity.

Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine. Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l have Advancement la Microcharge Canada, Canadian Society for Surgery of the Hand..

# MARKET ANALYSIS

Nanotechnology plays an essential role in medicine by enabling prophylactics, diagnostics, and therapy of a variety of medical diseases.

The carbon nanotubes segment dominated the market and accounted for the largest revenue share due to the carbon nanotubes being used in a wide range of pharmaceutical and medical applications due to their enormous surface area and capacity to absorb and conjugate diagnostic and therapeutic substances, including as medicines, genes, vaccines, biosensors, and antibodies. Data Bridge Market Research analyses that the nanotechnology market is expected to grow at a CAGR of 36% and at USD 5.2 billion in 2021 and is further estimated to reach USD 60.86 billion by 2029 during the forecast period. Data Bridge Market Research analyses that the nanotechnology market is expected to grow at a CAGR of 36% and at USD 5.2 billion in 2021 and is further estimated to reach USD 60.86 billion by 2029 during the forecast period. The market report curated by the Data Bridge Market Research team includes in-depth expert analysis, patient epidemiology, pipeline analysis, pricing analysis, and regulatory framework.

## TARGET AUDIENCE

- youthful Scientist
- Business Entrepreneurs
- Training Institutes
- Health Care Associations
- Nanotechnology Universities
- Nanotechnology exploration institutes
- Academic Scientists

## WHO SHOULD ATTEND

- Nanotechnology scholars, Scientists, and, professors
- Health Care Researcher
- Nanotechnology Faculty
- Nanotechnology Colleges
- Healthcare Associations and Societies
- Nanotechnology Companies
- Nanotechnology experimenters and faculty

## WHY TO ATTEND

The participants can upgrade their vision and conquer new innovative ideas on nanomaterials by joining the forum where renowned speakers from around the world take part. Through presentations, the representatives can get a chance to communicate with the interested audience and can broaden their professional network. It is the best scientific platform to learn more about nanomaterials

# WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

**DIAMOND SPONSOR**
**$10000**

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**GOLD SPONSOR**
**$7500**

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**SILVER SPONSOR**
**$5000**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**BRONZE SPONSOR**
**$3500**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

**EXHIBITION SPONSOR**
**$2500**

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

## ABOUT VENUE

Melbourne is known as the “Events Capital of Australia.” Apart from your daily routine and your busy schedule, Melbourne is the best place to spend your time and get relaxed. In August, Melbourne experiences beautiful weather. You can plan a grand winter gala, including ice skating, skiing, food and wine festivals, winter night markets, jazz performances, and igloo dining.

Ice Bar Melbourne offers the whole Arctic experience in August, when it’s minus 10 degrees outside and you enter the extremely cold conditions on the other side while wearing special snow gear. Philip Island is home to many amazing natural attractions. You can take a cruise to enjoy the stunning scenery and wildlife.

The cape is also a great place to spot wildlife, including penguins, seals, dolphins, and whales. You can also visit some other places like Yarran Valley, Peninsula Hot Springs, Melbourne Zoo, and so on. Even though it is great for adventures and exotic travel experiences, it is also a great place to schedule the meeting at the end of August to make this a business and family trip. I hope to meet you in Australia!!
