INTERNATIONAL CONFERENCE ON

NANOMATERIALS AND NANOTECHNOLOGY

AUGUST 24-26, 2023 | MELBOURNE, AUSTRALIA

https://nanomaterials.cmesociety.com/

INVITATION

NANOMATERIALS 2023

We are glad to invite healthcare professionals from all over the world to attend the "**International Conference on Nanomaterials and Nanotechnology**" scheduled on **August 24-26, 2023**, in **Melbourne, Australia**.

Nanomaterials 2023 is committed to providing individuals with the most up-to-date information on nanomaterials and nanotechnology with the theme of "Assessing the New Approaches to Nanotechnology and Nanomaterials."

The Nanomaterials and Nanotechnology Conference is designed to serve as a forum, a networking platform, and a gathering place for academics, researchers, professionals, managers, heads of institutions of higher learning, and representatives from business and academia.

By taking part in the Nanomaterials and Nanotechnology Conference, you have the chance to interact with a group of nanotechnology professionals, share your research experience and innovations with them, and build your network.

We hope you will join us at the Nanomaterials and Nanotechnology conference, and we are sure these conferences will provide you with some notable experiences.

We look forward to meeting you in Australia!

Regards,

Clara Shane | Program Manager

Organizing Committee | Nanomaterials 2023

CONFERENCE HIGHLIGHTS

- Nanomaterial and Nanotechnology
- Nanoscience
- Nanotoxiology
- Polymer Nanotechnology
- Nanobiotechnology
- Cancer Nanotechnology
- Nanoelectronics and Nanophotonics
- 3D printing
- Nanophysics and Nanochemistry
- Nanometerology and Nano engineering
- Nanomedicine
- Nanorobotics
- Nano Pharmaceticals
- Carbon nanotubes
- Nano mechanics
- Green nanotechnology

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity.

Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine. Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l have Advancement la Microcharge Canada, Canadian Society for Surgery of the Hand..

MARKET ANALYSIS

Nanotechnology worldwide in 2022, the market value was million USD, and it is expected to rise to 241.8 million USD by 2028.During the forecast period of 2022–2028, the market will expand at a compound annual growth rate (CAGR) of 8.4%. This study presents a road-map of the nanotechnology sector by outlining key market prospects, upcoming trends, crucial business strategies, and leading firms. It also contains historical data, potential product settings, marketing plans, and technology advancements. By 2028, the size of the worldwide nanotechnology market will be USD 2418.8 million, expanding at a CAGR of 8.4% over the study period.

This nanotechnology market study provides a thorough analysis backed by accurate data on player sales and revenue for the years 2017 to 2023. The report also provides information about the firm, its main operations, an introduction to a nanotechnology product, recent advancements, and sales of nanotechnology by area, kind, application, and sales channel. The top rivals' business profiles and market share information are also included in this section.

Current Market Trends:

The market for global nanotechnology is predicted to grow significantly between 2023 and 2028, throughout the forecast period. Due to the main corporations' increasing rate of strategy adoption, the market is predicted to grow throughout the anticipated time period in 2021. Our most recent analysis predicts that the size of the worldwide nanotechnology market will reach USD 2418.8 million in 2028, expanding at a CAGR of 8.4% during the study period.

This study focuses on the current state, future outlook, growth opportunity, important markets, and key players in the worldwide nanotechnology industry. The study goals include presenting the progress of nanotechnology in North America, Europe, China, Japan, Southeast Asia, India, Central America, and other regions.

TARGET AUDIENCE

- Nanoscience & Nanotechnology Researchers
- Nanoscience & Nanotechnology Specialists
- Nanoscience & Nanotechnology Engineers
- Scientists
- Professors
- Researchers
- Materials Engineers
- Physicists/Chemists
- Polymer Companies
- Business Entrepreneurs
- Health care professionals
- Medical Devices Manufacturing Companies
- Delegates
- Young Research Scholars

WHO SHOULD ATTEND

- 20+ Keynote Speaker Session
- 40+ speaker faculty over 2 full days
- sharing Evidence Based
- 10+ Exhibitors
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Health care units and Industry Delegates
- Networking

WHY TO ATTEND

By participating in the event, you will have an opportunity to meet business professionals, learn about projects already under way, and begin building connections that will last beyond the event. We will be discussing the scientific session and tracks on that particular topic, and we intend to make the event more interesting and informative for the participants from different domains. By sharing your research expertise, you can get worldwide recognition and networking opportunities. Take advantage of this opportunity to attend this event.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR
$10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR
$7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR
$5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

Melbourne is known as the "Events Capital of Australia." Apart from your daily routine and your busy schedule, Melbourne is the best place to spend your time and get relaxed. In August, Melbourne experiences beautiful weather. You can plan a grand winter gala, including ice skating, skiing, food and wine festivals, winter night markets, jazz performances, and igloo dining.

Ice Bar Melbourne offers the whole Arctic experience in August, when it's minus 10 degrees outside and you enter the extremely cold conditions on the other side while wearing special snow gear. Philip Island is home to many amazing natural attractions. You can take a cruise to enjoy the stunning scenery and wildlife.

The cape is also a great place to spot wildlife, including penguins, seals, dolphins, and whales. You can also visit some other places like Yarran Valley, Peninsula Hot Springs, Melbourne Zoo, and so on. Even though it is great for adventures and exotic travel experiences, it is also a great place to schedule the meeting at the end of August to make this a business and family trip. I hope to meet you in Australia!!
