https://nanomaterials.cmesociety.com/

Greetings From

We'd like to extend an invitation to you to **Sponsor/Exhibitor** the "***International Conference on Nanomaterials and Nanotechnology***," which will take place in ***Melbourne, Australia*** on ***August 24-26, 2023***. Nanomaterials 2023 offers your company a one-of-a-kind chance to network with up to 250 top experts from a range of academic, research, business, government, and private sectors. The organizing committee is working diligently to bring the most knowledgeable researchers from around the world, as well as industry leaders, to explore the most recent developments in technology through an inspiring and educational program of speakers, and to facilitate networking and business opportunities for sponsors through an interactive exhibition and a dynamic program of social events. Don't miss this chance to strengthen your brand and show your leadership at Nanomaterials 2023. This high-profile event would be a terrific opportunity to exhibit your firm among the most representative group of individuals.

Through conference materials and the website, sponsors and exhibitors will be acknowledged before, during, and after the conference. They will also have a lot of interaction with conference attendees during the exhibition and social activities.

To meet your needs, we provide a variety of sponsorship possibilities. We urge you to carefully read the included information and act promptly since we anticipate selling out.

We anticipate welcoming you to Melbourne and having you participate in this outstanding Nanotechnology event in August 2023.

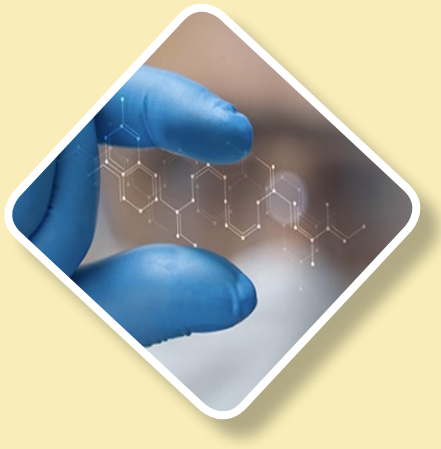

Sincerely,
Organizing Committee.

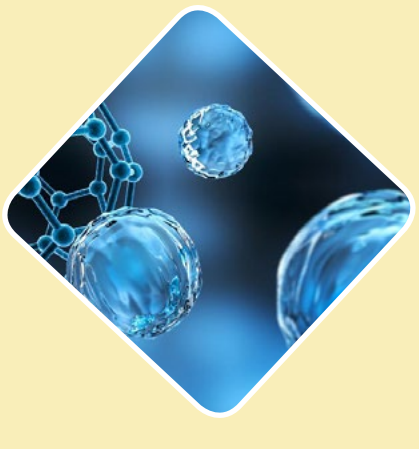

Nanomaterials 2023

SCOPE AND TOPICS

The scope of the conference covers all the niche research arenas in Nanomaterials and Nanotechnology research happening around the world. The latest achievements of technological developments will be presented and thoroughly discussed through a series of Key Notes, Plenaries, Workshops, Symposiums and Poster sessions. A broad spectrum of research and innovation activities will range from basic research to application-oriented multidisciplinary tracks and sub tracks will be addressed at the In search of innovative technological advancements in Nanomaterials 2023.

Pulsus Group

WHY SPONSOR?

Sponsoring the New Revolution & Technology in Nanomaterials 2023 Conference builds visibility for your brand, connects you with the industries, institutes, academicians, researchers, practitioners, students and other key stake holders which gives you a forum to share your organization's expertise.
Whether you are trying to reach your target audience at the international, national or local level, aligning your company with this conference will win your brand valuable exposure to 300+ attendees including the best talents in industry and academia.

Nanomaterials 2023 wants to partner with you and offer a unique platform for you to interact with an audience of international specialists allowing you:

- Wide acknowledgment of your organization leading up to and during the conference.
- Promote and Showcase you can present your brand, company and products to our attendees and meet potential clients and new employees face to face.
- Excellent networking opportunities during the Conference to promote your products and services to a relevant target audience.
- An opportunity to utilize the Conference experience to showcase your organization's position of support for these important research areas.
- An opportunity to source new contacts and business leads or maintain relationships with existing researchers, customers, suppliers and important institutions.
- An opportunity for your key staff to connect face to face with the most influential people, bodies and organizations representing from diverse research areas at one place over a short period of time.
- The possibility to launch new initiatives, products or services directly to your primary market
- Gaining access to Conference attendees who are keen to improve their knowledge within the field, and through your organization's support, closely align your organization with attendees' professional development on a personal level.
- Competitive advantage you'll stand out if you're a sponsor and your major competitors aren't. If your competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength.

CONFERENCE HIGHLIGHTS

- Nanomaterial and Nanotechnology
- Nanoscience
- Nanotoxiology
- Polymer Nanotechnology
- Nanobiotechnology
- Cancer Nanotechnology
- Nanoelectronics and Nanophotonics
- 3D printing
- Nanometerology and Nano engineering
- Nanomedicine
- Nanorobotics
- Nano Pharmaceticals
- Carbon nanotubes
- Nano mechanics
- Green nanotechnology

SPONSORSHIP OPPORTUNITIES

We offer sponsorship opportunities for every level of interest and every budget. Standard “packages” are outlined below, but we also stand ready to customize a program and a budget that meets your unique marketing goals. Listed below are a wide variety of sponsorship opportunities to meet your organization’s budget and business development objectives.

$10000 DIAMOND SPONSOR

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
