5TH INTERNATIONAL CONFERENCE ON

NANOMEDICINE AND DRUG DELIVERY

JUNE 28-30, 2023 | LONDON, UK

https://nanomedicine-drugdelivery.pulsusconference.com/

INVITATION

NANOMEDICINE CONFERENCE 2023

We are delighted to announce the conference on "5th international conference on Nanomedicine And Drug Delivery".which will be held on Jun28-30,2023 in London,Uk

The theme for the conference is "Discovering Nanotechnology And Nanomedicine Technology And Future Implementations"

Nanomedicine Conferences 2022 would like to thank the Moderators, Speakers, Keynote Speakers, Organizing Committee Members, Delegates, and Guests for their inspirational words and for helping to make Nanomedicine Conferences 2022 as a successful and remarkable event.

Multiple sessions, keynote presentations, and panel discussions highlighted Nanomedicine Conferences 2022. We frequently receive supportive feedback and active participation from the organising committee, scientists, young, bright researchers, attendees, and professional communities, making this conference one of Pulsus's most exciting and productive gatherings in 2022.

With the unique feedback from the Conference, Pulsus would like to announce the commencement of the 5th International Conference on Nanomedicine.

Bookmark your schedule dates: We hope to see you at Nanomedicine Conferences 2023 during June 28-30, 2023.

Regards,

NanomedicineConference2023

Organizing Committee

CONFERENCE HIGHLIGHTS

- Nanomaterials And Nanotechnology
- Nanomedicine And Its Advancement
- Smart Drug Delivery Technology
- The Evolution of Nanomedicine with The Re-evolution of Nanotechnology
- Pharmaceutical Nanotechnology
- Research And Development In Nanomedicine
- Design And Characterization of Nanodrug system
- Impact of Nanomedicine on Health Care
- Future Concepts In Nanomedicine
- Nanotechnology - In Other Fields
- Nano Drug Delivery
- Nanorobotics And Nanomedicine
- Nanometrics For Cell Culture
- Nanotechnology And Surgery
- Nano Particles for Drug Delivery
- Specific Drug Delivery
- Drug Delivery Equipment And Drug Delivery
- Nanotoxicology

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The size of the worldwide **nanomedicine** market was estimated at USD 159.53 billion in 2021, and it is anticipated to increase at a CAGR of 11.7% from 2022 to 2030. A brand-new discipline termed **nanomedicine** is emerging as a result of escalating interest in the potential medical uses of nanotechnology. The global market for **nanomedicine** is segmented according to the kind of nanomolecule, type of nanoparticle, application, illness indication, geographic distribution, and competitive environment.

TARGET AUDIENCE

- Research Faculties
- Academic Scientists
- Health-care Analysts
- Doctors
- Scientists and
- Professors
- Students
- Diagnostic Laboratory
- Professionals
- Business
- EntrepreneursBusiness
- Entrepreneurs
- Industry Professionals
- Medical Colleges and
- Universities
- Healthcare
- Associations and Societies
- Directors/Managers/ CEO's
- Presidents & Vice Presidents
- Educational Institutions

WHO SHOULD ATTEND

- Researchers in the field of
- Nanotechnology
- Health care associations and Societies
- Training Institutions
- Business Entrepreneurs
- Practitioners in Nanotechnology
- Health care Faculty
- Academic scientists
- Students
- Medical Collages

WHY TO ATTEND

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 2 full days sharing Evidence Based
- on Nanotechnology and drug delivery
- 5+ Workshops
- 16 Interactive sessions
- Mixture of Health care units and Academia Delegates

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR
$10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR
$7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR
$5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

London is both the capital and largest metropolis of both England and the United Kingdom. It has been a significant community for two millennia and is located on the river Thames in south-east England at the head of an estuary that extends for 50 miles (80 km) down to the North Sea. The London economy heavily depends on the leisure sector. According to a 2003 estimate, London is responsible for 25.6 events per 1000 inhabitants, approximately one-fourth of the entire UK leisure sector. According to official figures, the city is one of the four fashion capitals of the world and the third-busiest film production hub in the world. It also hosts more live comedy shows than any other city and has the largest theatre audience of any city in the world.

London, one of the major global cities, has a significant impact on the fields of the arts, entertainment, fashion, commerce, finance, education, health care, media, science, and technology, as well as tourism, transportation, and communications. One of the finest times to travel on a low budget is June. There are active June sales, so you may save money while shopping at some of London's biggest malls.

This month, London's attractions are less crowded than normal, making it a fantastic opportunity to visit a museum and escape the queues at popular sites. Remember that many of London's attractions are free as well!
