5TH GLOBAL SUMMIT & EXPO ON

PHARMACEUTICS, DRUG DISCOVERY AND NANOSCIENCE

DECEMBER 05-06, 2022 | DUBAI, UAE

https://pharmaceutics.pulsusconference.com/

INVITATION

NANOPHARMACEUTICS 2022

We are delighted to extend an invitation to you to take part in NanoPharmaceutics 2022, the 5th Global Summit & Expo on Pharmaceutics, Drug Discovery and Nanoscience, which will be held in Dubai, UAE, on December 05-06, 2022.

The purpose of this Conference is to bring together pharmacists, nutritionists, nanotechnologists, experts in drug development and other specialists to discuss the challenges of the interplay between Drug Discovery, Pharma and Nanoscience in the science field. The gathering will allow for the sharing of information and ideas among the many fields in order to promote multidisciplinary clinical and research cooperation with an emphasis on pharmaceutics and nanotechnology. The guests will be able to learn about these latest upgrades and exchange experiences with internationally renowned speakers at this gathering.

The interested professionals can confirm their participation by registering in NanoPharmaceutics 2022. Register soon and avail Exciting Early bird discounts.

Regards

Sarah Jones | NanoPharmaceutics 2022

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

Nanotechnology is being employed in the pharmaceutical field for many reasons, but perhaps the leading goals are to improve drug solubility/bio- availability and/or delivery to various sites of action. Nanotechnology is also being employed to develop new and improved therapeutic devices.

TARGET AUDIENCE

- Doctors
- Scientists
- Public Healthcare professionals
- Biomedical Engineers
- Pharmaceutical associations and societies
- Research Associates
- Presidents & Vice-presidents
- Directors, CEO's of Organizations
- PhD Scholars
- Patent Attorneys
- Bio instruments Professionals
- Bio-informatics Professionals
- Research Institutes and members
- Diagnostic laboratory professionals
- Business Entrepreneurs
- Industry professionals
- Brand Manufacturers/ Marketers of Consumer Products

WHO SHOULD ATTEND

- Nanotechnologits
- Pharmacists
- Nanomedicine Individuals
- Public Healthcare professionals
- Professors & Associate professors
- Nanotechnology Researchers
- Academic Scientists
- Researchers from Pharmaceutical companies
- Students
- Chief Scientific Officers
- R&D Researchers from Pharma Industries
- Professors, Associate Professors, Assistant Professors

WHY TO ATTEND

Global Exposure:

The conference is set to be attended by some of the eminent and prominent researchers around the world. The topics that are to be discussed are otherworldly and your work and your presentation can also gain some positive influence among some of the researchers who are set to attend the event.

Industrial Exposure:

This conference is also to be represented by some of the leading pharmaceutical companies from around the world and their experience and their expertise will certainly influence the attendees who are going to participate on this conference.

Scientific Recognition:

NanoPharmaceutics 2022 is a landmark event which will provide chance for every researcher from around the world to showcase their work and their efforts that they have placed on their work on the past few months. NanoPharmaceutics 2022 is delighted to provide such tireless researchers a platform to shine and gain global and positive recognition among some of the major scientific professional in this domain.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

ABOUT VENUE

The Emirate of Dubai, located in the United Arab Emirates, is one of the most developed cities of our time. It is governed by Sheikh Mohammed bin Rashid Al Maktoum. It is one of the cities that has become a destination for all races and all countries, and is characterized by the beautiful places that tourists from all over the world come to it, in this article we will give you the best places to visit. Burj Khalifa is one of the most famous places in Dubai. It is a symbol of its length. The tower is eight hundred and twenty-nine meters long. It is the tallest tower in the world. Most tourists visit this tower to see the magnificent view of the city through the terrace on the floor one hundred and twenty-four, and the scenes are frightening and pretty wonderful as seen by the bird from the sky. The tower is surrounded by beautifully landscaped buildings and Dubai's charming fountain, one of the most important towers in the world, is Burj Al Arab, the tallest hotel in the world. Dubai Museum This museum is located in Al Fahidi Castle, built in 1987 to protect Dubai Creek. The castle was also used by the ruling family in Dubai as a government building and prison. It was restored in 1991 and again in 1995 and is now one of the most important museums located in Dubai, and has plenty of traditional artifacts and artifacts for the area. Old City of Dubai This city was built in the 19th century and was an area of residence for rich Persian merchants. Their trade was based on pearls and cloth. There are many places to visit in this area, including Dubai Creek and wind towers.
