2ND INTERNATIONAL CONFERENCE ON

NANOMATERIALS AND NANOTECHNOLOGY

AUGUST 28-30, 2023 | LONDON, UK

https://nanomaterials-nanotechnology.pulsusconference.com/

INVITATION

NANOTECHNOLOGY 2023

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. PULSUS is looking forward to welcoming all of you to the "**2nd International Conference on Nanomaterials and Nanotechnology**", which will be held on **August 28 - 30, 2023 at London, UK**.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Nanomedicine from around the world to participate in the upcoming Nanomedicine 2023. The meeting for this year will revolve around the theme "**Exploring the Ecodesign concept, reduction and Biocompliance criteria in Nanomaterials and Nanotechnology**" thus relaying the most cutting edge findings in the field of Nanomedicine and Drug delivery.

The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards,

Elano Crisis | Nanotechnolgy 2023

Organizing Committee

CONFERENCE HIGHLIGHTS

- Nanomaterials and Nanotechnology
- Nanoscience
- Nanomedicine
- Nanoelectronics and Nanophotonics
- Nanorobotics
- Nanoscience
- Nanobiotechnology
- Cancer Nanotechnology
- Pharmaceutical Nanotechnology
- Nanosensors
- Soft materials
- Nanofludic
- Application of Nanotechnology
- Metallurgy
- Nanocomposite
- Nanotubes
- The evolution of Nanomedicine with the Reevolution of Nanotechnology
- Nanotech: In other fields
- Nanotechnology Applications
- Nanocharacterization and Nanomanufacturing
- Nano Engineering

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

During the forecast period from 2022 to 2028, the nanomaterial market is projected to grow by 12.7%. The Data Bridge Market Research Report on the Nanomedicine Market offers analysis and insights into various factors that are expected to prevail during the forecast period and their impact on the growth of the market. Further development of Nanotechnology 2023 for diagnostic procedures is driving the nanomedicine market.

In the latest study, Global Nanotechnology Market Outlook 2024, analysts conducted a segmentation study of the Nanotechnology industry and explained key market trends and developments, highlighting Clearly highlight areas that offer promising opportunities for industries to stimulate their growth.

Currently, the healthcare industry is one of the largest industries where nanotechnology has made a major breakthrough with its application in the diagnosis and treatment of chronic diseases such as cancer, cancer, and chronic diseases. heart, etc. In addition, important developments are taking place in other areas such as electronics, agriculture and energy. These topics will be covered in Nanomedicine Conferences 2023.

Market Scope: One of the applications of nanotechnology used to diagnose, treat, monitor and control biological systems is nanomedicine. The use of nanomaterial manipulation to enhance drug delivery is known as nanomedicine. Nanomedicine holds great promise for improving the early detection, prevention, diagnosis, treatment, and monitoring of various diseases, including cancer.

TARGET AUDIENCE

- Research Faculties
- Academic Scientists
- Health-care Analysts
- Doctors
- Scientists and
- Professors
- Students
- Diagnostic Laboratory
- Professionals
- Business
- EntrepreneursBusiness
- Entrepreneurs
- Industry Professionals
- Medical Colleges and Universities
- Healthcare Associations and Societies
- Directors/Managers/
- CEO's
- Presidents & Vice
- Presidents
- Educational Institutions

WHO SHOULD ATTEND

- Researchers and Faculty members
- Students and Research scholars
- Business Delegates
- Medical college and Universities
- Nanomedicine Faculty
- Nanotechnology Researchers
- Nannoscience and
- Nanotechnology Faculty
- Nanomedicine Companies
- Medical Devices Companies

WHY TO ATTEND

Meet the leaders and professionals in Nanotechnology in 2023. The conference's objective is to discuss, share, and maintain knowledge in nanomedicine. It offers innovators the chance to close the adoption and development gap.

You can give presentations, spread information, network with current and future scientists, attract attention with novel Nanotechnology findings, and become famous at this three-day event. Direct access to a chosen set of experts and decision-makers will be available to participants.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

The city of London is the capital and largest city of Britain. It is located on the south side of the country on the Thames, with a population of about 8.4 million, of whom 2.7 million live in inner London neighbourhoods. Its total population in all its suburbs is approximately 15,010,295 inhabitants, according to the 2012 estimates.

This is Europe's largest city by population and one of the most important cultural, political and economic centres in Europe. It has a large number of famous theatres, universities, museums, educational institutes and cultural centres around the world. Tourism in London is suitable for all ages, young and old as well as all nationalities, where there are restaurants serving traditional meals from all over the world, often these restaurants in public parks.

It is the modern city as well. It possesses the elegant and stylish features in Mayfair, Hampstead, Knightsbridge, and Chelsea. It also provides the distinct features in Shoreditch, Camden, and Dalston. It is stated as the multicultural city, and that's the main reason for me for liking this city. Anyone can learn different cultures from here. Anyone can make friendships and relationships here. Transportation is very easy in London. You can reach anywhere you want within time as the bus facility never stops and the bus comes on exact time. This bus system has 8,500 buses with more than 700 routes. It's one of the best transportation systems in the world. It possesses a moderate climate. It is one of the things that most people like about London. It's a rainy city of England. Usually, summers are warm and occasionally hot. The winter season here is cool and moist. You can see snowfall also which can create a disturbance while traveling. In London, autumn and spring seasons are pleasant and enjoyable.
