6TH INTERNATIONAL CONFERENCE ON NANOTECHNOLOGY AND NANOMEDICINE

OCTOBER 16-18, 2023 | PARIS, FRANCE

https://nanotechnology.pulsusconference.com/

INVITATION

NANOTECHNOLOGY 2023

Nanotechnology 2023 intends to host all the well-known nanotechnology and nanomedicine researchers related to the field of Nanotechnology.The conference with the theme "I**nquisition Towards Nanotechnology for a Better Future**", which implies that Nanotechnology 2023 will be a venue for exploring therecent trends in Nanotechnology and Nanomedicine.

We are able to provide you with a high-quality education curriculum this year that covers all aspects of nanotechnology and how they interconnect with other disciplines that are important to our future including materials science, learning fundamentals about nanophysics, or constructing atomic-sized structures and materials using nanotechnology and addressing the issues of cancer, diabetes with the help of nanomedicine.

It is a networking event that brings together inspired nanotechnology researchers and scientists to listen, discuss, and share knowledge. By taking part in Nanotechnology Conference 2023, you have the chance to interact with a selected group of different nanotechnology professionals and develop your understanding of both the field of Nanotechnology and Nanomedicine.

Nanotechnology 2023 includes Keynote speeches, Plenary sessions, Oral and Poster presentations. The interested professionals can confirm their participation by registering in Nanotechnology 2023.

Register soon and avail Exciting Early bird discounts..

Regards
Hannah Lawson | Nanotechnology 2023
Organizing Committee

CONFERENCE HIGHLIGHTS

- Nanotechnology and Nanoengineering
- Nanomaterials
- Nanophysics and Quantum Physics
- Nanomedicine
- Current Research in Green Nanotechnology
- Nanobiotechnology and Nanotoxicology
- Nanophotonics
- Nanotechnology in Automotive and Aerospace Industries
- Spintronics and Nanomagnetism
- Nanotechnology in Tissue Engineering
- Nanosensors for Defense and Security
- Carbon Nanotubes and Nanocomposites
- Nanoelectronics
- Implementation of AI in Nanotechnology
- Nanotechnology in Food Processing and Packaging

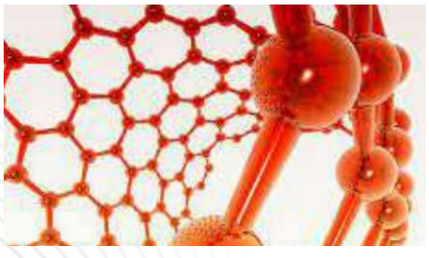

35

ABOUT US

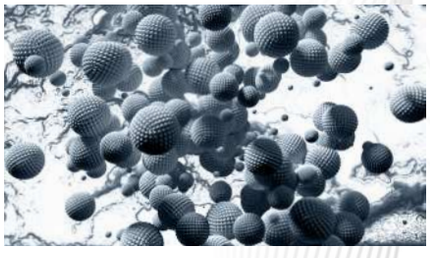

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

During the forecast period from 2023 to 2028, the Nanotechnology market is projected to grow by CAGR of 24.8%. According to a report by MarketsandMarkets, the global Nanotechnology market is expected to reach USD 125.6 billion by 2025, growing at a CAGR of 18.1% from 2023 to 2025. The growth of the market is attributed to increasing investments in research and development activities, increasing government support, and rising demand for Nanotechnology-based products in various industries.

In the latest study of the market analysis, the electronics and energy sectors are expected to dominate the market during the forecast period, driven by the increasing demand for Nanotechnology-based products such as nanoelectronics, nanosensors, and nanocomposites. The healthcare sector is also expected to grow significantly, driven by the increasing use of Nanotechnology in drug delivery, diagnostics, and imaging.

Regionally, France is expected to dominate the market during the forecast period, followed by Europe and Asia-Pacific. This is due to the presence of a large number of Nanotechnology companies, increasing government support, and high investments in research and development activities in these regions.

TARGET AUDIENCE

- Faculty, Students
- Professors
- Scientists
- Associations and Society members
- Industrial Experts
- Business Expertise
- CEOs
- Heads/ Director

WHO SHOULD ATTEND

- Nanostructure Fabrication Groups
- Industrial Professionals
- Pharmaceutical Companies
- Medical Device Companies
- Nanotechnology Research Institutes
- Nanomedicine Research Institutes
- Nanobiotechnology Companies
- Nano-based Manufacturing Companies

WHY TO ATTEND

Nanotechnology 2023 is an international platform for presenting research about development, diagnosis, prevention and management and exchanging ideas about it and thus, contributes to the dissemination of knowledge in Nanotechnology and Nanomedicine for the benefit of both the academia and business.The organizing committee of this Nanotechnology and Nanomedicine conference is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR $10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR $7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR $5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

BRONZE SPONSOR
$3500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

EXHIBITION SPONSOR
$2500

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- One complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Half Page A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 25% discount on both Extra Delegate Registrations and Booth

EDITORIAL BOARD MEMBERS

Yiquan Wu
Alfred University, New York

Dr. Abdelwahab Omri
Laurentian University, Sudbury, Canada

Dr. Raghavender Medishetty
Technical University of Munich, Germany

Emmanuel O. Akala
Howard University, US

Yang Yang
University of Central Florida, USA

SUPORTING JOURNALS

Selected contributions will be published in following supporting international Journals:

Nanotechnology Letters
https://www.pulsus.com/nanotechnology-letters.html

Journal of Nanoscience and Nanomedicine
https://www.pulsus.com/journal-nanoscience-nanomedicine.html

Journal of Materials Engineering and Applications
https://www.pulsus.com/journal-material-science-engineering-applications.html

CONFERENCE AGENDA/ TENTATIVE PROGRAM

OCTOBER 16, 2023 - MONDAY	
08:30-09:30	Registrations
09:30-11:30	Keynote Forum
Group Photo	
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Nanotechnology and Nanoengineering | Nanomaterials
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Nanophysics and Quantum Physics | Nanophotonics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Tracks: Current Research in Green Nanotechnology | Nanobiotechnology and Nanotoxicology
OCTOBER 17, 2023 - TUESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Nanomedicine | Nanotechnology in Tissue Engineering
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Nanosensors for Defense and Security
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Carbon Nanotubes and Nanocomposites | Nanoelectronics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
OCTOBER 18, 2023 - WEDNESDAY	
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Tracks: Implementation of AI in Nanotechnology | Spintronics and Nanomagnetism
11:30-11:45	Network & Refreshments Break*
11:45-13:00	Tracks: Nanotechnology in Food Processing and Packaging
13:00-13:45	Lunch Break**
13:45-16:00	Tracks: Nanotechnology in Automotive and Aerospace Industries
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations

ABOUT VENUE

France's capital and biggest city, Paris, is situated in the north-central region of the nation. It is situated on the banks of the River Seine and is known for its iconic landmarks, cultural heritage, and artistic treasures. It has a population of approximately 2.1 million people, and its metropolitan area has a population of around 12 million.

Paris is home to many world-famous attractions, including the Eiffel Tower, the Louvre Museum, Notre-Dame Cathedral, the Champs-Élysées, and the Palace of Versailles. It is also known for its cuisine and fashion. Paris has a rich history dating back to the Roman era, and it played a significant role in the development of Western culture and civilization. Today, it is a cosmopolitan city with a diverse population and a vibrant cultural scene, attracting millions of visitors each year.

Paris has a temperate oceanic climate, with mild winters and warm summers. The best time to visit Paris is generally in the spring (March to May) or fall (September to November), when the weather is mild and the crowds are smaller.

The official language of Paris is French, but English is widely spoken in tourist areas. The currency used is the Euro (€), and the time zone is Central European Time (CET).

Abstract submission opens: April 20, 2023 | **Registration opens:** April 20, 2023
Early bird registration: May 31, 2023 | **On spot registration:** October 16, 2023
