Invitation

PULSUS Group invites all the participants from all over the world to attend "**5th International Conference on Neonatology and Perinatology**" on **June 15-16, 2020** in **Edinburgh, Scotland**. Which includes prompt keynote presentations, Oral talks, Poster presentations, workshops and Exhibitions.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Neonatology and Perinatology professionals from around the world to participate in the upcoming **Neonatology 2020**. The meeting for this year will revolve around the theme "**Trends and Advances in Neonatal Healthcare**" thus relaying the most cutting edge findings in the field of Neonatology and Perinatology. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards

Neonatology 2020

Organizing Committee

16:00-16:15	Network & Refreshments Break*
16:15-18:00	Poster Presentations
Day Concludes	
Award Ceremony	

Tourist Attractions

Venue

Edinburgh is Scotland's minimal, sloping capital. It has a medieval Old Town and exquisite Georgian New Town with gardens and neoclassical structures. Approaching over the city is Edinburgh Castle, home to Scotland's royal gems and the Stone of Destiny, utilized in the royal celebration of Scottish rulers. Arthur's Seat is an overwhelming top in Holyrood Park with clearing perspectives, and Calton Hill is topped with landmarks and remembrances.

Hosted by PULSUS
