About Pulsus:

- PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.
- Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.
- Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Individuals going to the gathering without a doubt will have an important and learned involvement in the field of neurology and brain health with that comes motivation, meeting incredible individuals and speakers, distinctive plans to take care of emotional instability and issues, and enhancing your abilities.

International Conference on Neurology and Health Care is a novel gathering to unite overall recognized scholastics in the field of neurosciences and neurology, Brain analysts, general health experts, researchers, scholastic researchers, industry specialists, researchers to trade about best in class research and innovations.

About City

Lisbon being the capital city and the most crowded region of the Portugal. It has a warm Mediterranean climate and the best month to visit is September, as with Autumn comes great happiness and peace. Lisbon is also known as the "city of the seven hills" and unlike another European city Lisbon faces the ocean. During September Lisbon restaurant offers fresh grilled fish and scenic view where people like to spend their time with their close ones. September is the academic year and a tradition called praxes occurs during this period the older students engage with the newer students; the main goal is to develop bonding and prepare themselves for upcoming year.

If you are coffee lover than Lisbon would be mecca for you as it serves the best coffee in the world. The design on the buildings and streets represent the history and art of Lisbon. Lisbon has variety of means of transport and well-connected road, carris is the main company in command for transportation and provides trams and buses throughout Lisbon, this company also provide transport to airport.

The currency used is Euro and money can easily be exchanged to euro from hotels, bank and even some shop and the best rates and commission are mostly found at bureaux.
