PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. We are all set for an amazing event as PULSUS proudly presents the "8th International Conference on Neuroscience and Neurological Disorders" slated on June 09-10, 2021 as Webinar.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Neuroscience professionals from around the world to participate in the upcoming Neuroscience 2021. The meeting for this year will revolve around the theme **"Endeavoring the latest advancements in Neuroscience and Neurological Disorders"** thus relaying the most cutting edge findings in the field of Neuroscience and Neuroimmunology. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts..

Regards
Neuroscience 2021
Organizing Committee

Conference Highlights

- Neuroscience
- Neurological Disorders
- CNS
- Neurophysiology
- Neurochemistry
- Neurogenetics
- Neuropathology
- Neuroimmunology
- Neuropsychiatry
- Neuroradiology and Imaging
- Neurosurgery
- Neuro-oncology
- Neuropharmacology
- Neuro Feedback
- Nursing in neuroscience
- Pediatric Neurology
- Case studies and ethical issues

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

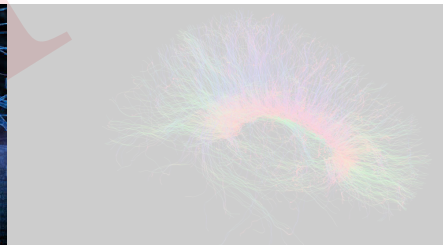

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the American Board of Psychiatry and Neurology (ABPN), American Neurological Association (ANA) , American Society of Neuroimaging , Neurological Society of India , Indian Academy of Neurology , Arizona Neurological Society , California Neurology Society.

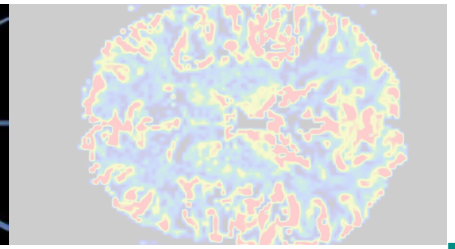

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve..

Market Analysis

PULSUS
WWW.PULSUSCONFERENCE.COM

Neuroscience 2021 channelizes the budding innovation in the field of Neuroscience and Neurology that deals about the latest non-surgical trials and research to treat Neurological disorders. This Neuroscience 2021 is being meant for the International neurologists and research experts to inspire the use of discoveries identified which would be an aid to the population who is being suffering from the neurological disorders. Neuroscience 2021 consists of Oral presentation, Poster presentation, Workshop, Exhibitions and many interactive sessions by the Key note speakers which will be offer us a ray of light in the field of Neuroscience. It inspires the innovators by honouring them a best speaker award, best poster award, best exhibitor award as a token of gratitude. So this conference is all about bringing out the enhanced techniques and therapy in this field thereby providing a pathway to lighten in the field of Neuroscience.

Target Audience

- Neurologists
- Neurosurgeons
- Neuro physiologists
- Pharmacists
- Neurology Organizations & societies
- Pharmaceutical companies
- Neuro and CNS drug Industries
- Neuroscience associations & foundations
- Neuro patients
- Medical Students
- Medical professors
- Bio medical Engineers
- Research Scholars
- Academic Scientists
- Medical practitioners

Who Should attend?

- Neuro experts
- Neurologists
- Neurosurgeons
- Neuro patients
- Healthcare professionals
- Medical scholars
- Medical Industries and Health-care Professionals

Why to attend?

- To Pursue New Trends and Techniques emerged in the field
- To Discourse and gain more Knowledge about the field
- To Furnish your Knowledge by Presenting Papers
- This provides a Platform for Networking with Peers
- Mixture of Health care units and Academia Delegates
- Networking
