PULSUS

WWW.PULSUSCONFERENCE.COM

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Paris is all set for an amazing event as PULSUS proudly presents the "World Congress on Nursing Research and Evidence Based Practice" slated on October 15-16, 2018 at Paris, France.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of **Nursing Research** from around the world to participate in the upcoming Nursing 2018. The meeting for this year will revolve around the theme "**Emerging role of Nursing in Evidence Based Practice**" thus relaying the most cutting edge findings in the field of Nursing Research. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
Nursing 2018
Organizing Committee

About PULSUS

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

Nursing 2018 is a 2 day International conference with Nursing educator, Nursing practitioners, Nursing researchers, Nursing Clinicians, Midwifes, Nurses, Healthcare executives joining from various parts of the world. Participants can conduct presentations, present posters, share knowledge, and meet with existing & potential nursing practitioners.

Pulsus provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

The conference focuses on Evidence Based Practice wherein the decisions about care of the patient are based on the research about the patient's needs, costs, preferences, and clinical expertise available. It is a step taken to improvise the quality of patient care and develop the nursing profession. Nursing Process includes the components of ADPIE (assessment, diagnosis, planning, implementation and evaluation).

Target Audience

- Scientists

About City and Venue

Paris is the capital city of France, located in the north-central part of the country. Paris is located at the Centre of the Île-de-France province, which is go across by the Seine, Oise, and Marne rivers. Paris city is ringed with great forests of beech and oak, they are called the "LUNGS OF PARIS" for they help to purify the air in the heavily industrialized region. Paris can be seen as the most fascinating city of Europe and perhaps even as one of the most wonderful city's worldwide. The evening scene, Eiffel tower and the warm atmosphere will make you feel directly at home. A city as Paris is one that everyone should visit and experience. The most popular districts in Paris are St.-Germain-des-Pres, Montmartre, Opera and Beau Bourg, Invalides, Quartier Latin. Education in Paris and the Île-de-France region services approximately 330,000 people, 170,000 of whom are teachers and professors teaching approximately 2.9 million children and students in around 9,000 primary, secondary, and higher education institutes and organizations
