10TH INTERNATIONAL CONFERENCE ON

NURSING AND HEALTH CARE

DECEMBER 04-06, 2023 | DUBAI, UAE

https://nursing.cmesociety.com/

INVITATION

NURSING 2023

On behalf of the organizing committee, it is with great pleasure that we welcome you to the 10th International Conference on Nursing and Health Care, which will be held in the picturesque city of Dubai, UAE.

This year's theme, "Innovative Practices and Challenges in Nursing & Healthcare,"

This conference promises to be a stimulating and informative event, bringing together leading nursing and healthcare professionals, researchers, educators, and practitioners from around the world.

With a diverse range of topics and presentations, we aim to foster meaningful discussions, share knowledge, and collaborate on advancements in the field of nursing and healthcare.

The conference will feature renowned keynote speakers, interactive workshops, engaging panel discussions, and opportunities for networking and professional development. It will provide a platform for participants to exchange ideas, present their research findings, and learn about the latest trends and innovations in nursing practice, healthcare policy, education, and technology.

Regards
Rilly Rey | Nursing 2023

ABOUT VENUE

Glitzy Dubai is the United ArabEmirates' holiday hot spot. This city of high-rises and shopping malls hastransformed itself from a desert outpost to a destination du-jour, wheretourists flock for sales bargains, sunshine, and family fun. Renowned,worldwide, as a booming Centre of international trade and innovation, Dubai hasfast become one of the world's most popular tourist destinations. Addition toit, this city has many cultural highlights and things to do, as well as all theglamorous modern add-ons. With its full-throttle development, iconic skylinesof high-rises, and world-famous beach resorts, the United ArabEmirates has become a favorite for family holidays and city breaks.

UAE's research focus is aimed at developing innovative and sustainablesolutions to many of the challenges facing the UAE, the wider region and theinternational community today. The UAE has prioritized seven key area ofstrategic importance. These are renewableenergy, transportation, education, health, technology, water resources andspace exploration. This research focus contributes to the realization of theUAE 2021 vision where innovation, research, science and technology form thebasis of a productive and competitive knowledge-based economy.

Healthcareis one of the most important considerations for relocating employees and with Dubairegularly ranking as one of the most popular destinations for expats these tipsfor medical treatment are essential. Dubai has one of the best public healthsystems in the world, offering a high standard of medical care in state-of-theart facilities. It is run by the Dubai Health Authority (DHA), which overseesboth public and private healthcare, and replaces the Department of Health andMedical Services (DOHMS). The Emirate has four major government hospitals:Dubai, Rashid, Latifa and Hatta. Each has an emergency department and offersboth inpatient and outpatient services. Modern private hospitals and anenormous medical Centre the size of a small city, appropriately named DubaiHealthcare City, service expats and Emiratis alike.
