Past Conference Report Nursing *2023*

May 04-05, 2023

Zurich, Switzerland

The **7th International Conference on Nursing and Health Science** was held on **May 04-05, 2023** in **Zurich, Switzerland** with the support of our Organizing Committee.

On behalf of the OCM panel, we extend our sincere gratitude to all the participants, speakers, sponsors, and exhibitors for attending **Nursing Conference**. Your valuable presence and contribution have made this event a grand success. We are grateful for your active participation in the discussions, activities, and sessions that enriched the conference.

We appreciate the support of the sponsors and exhibitors in making this event possible. We hope you found the conference informative and beneficial, and we appreciate your active participation in the various discussions and activities. We look forward to seeing you at future events. Thank you to all the participants for attending the Nursing conference.

On completion of our past series successfully we are happy to welcome you all to our upcoming series the **8th International Conference on Nursing and Health Science** which is planned to be held on **October 09-11, 2023** in **Paris, France**. We would like to arrange this conference with your support to bring all the Fetal and Maternal Medicine researchers together on a single platform. We intend to be honoured with your help to organise **Nursing 2023** at a grand level. Your support will be the key to the success of our future conference.

We are extending our focus in this series to include all dimensions of Nursing and Health Science, and Nursing Health Care professionals and researchers discoveries as therapeutic approaches. To extend the boundaries of Nursing 2023, our organizing committee is preparing for more creative and experimental workshops.

You will have the chance to discuss and react to a variety of questions regarding the state of advance Nursing and Health Care and its procedures thanks to your expertise and knowledge in the field of Nursing 2023.

Glimpses of Past Conference 2023
