Invitation

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Tokyo is all set for an amazing event as PULSUS proudly presents the "**47th Global Nursing Care Congress**" slated on **September 16-17, 2020** at **Tokyo, Japan**.

PULSUS cordially welcomes researchers, academicians, students and business professionals in the field of Nursing and Nursing Care Challenges around the globe to participate in the upcoming "**Nursing Care 2020**". The meeting for this year will revolve around the theme "**Explore the Latest Trends in Nursing and Healthcare**" thus relaying the most cutting edge findings current issues of environmental challenges. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.Regards
