About the conference

PULSUS
WWW.PULSUSCONFERENCE.COM

PULSUS extends an invitation to all participants from all over the world to attend the "9th World Congress on Nursing Research and Evidence Based Practice" on November 22-23, 2021 in Dubai, UAE. This includes effective keynote presentations, oral talks, informative poster presentations, and exhibits that highlight the value and effectiveness of Nursing in healthcare.

Pulsus has been instrumental in providing an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies, and organisations from various countries through international CME/CPD accredited conferences and meetings through its cmesociety.com website.

The focus of the conference is "Nurses' Role and Dedication During Covid-19." Nursing Research 2021 is a unique opportunity for new researchers, academics, Nurse Practitioners, surgeons, physicians, students, and educators to present their innovative ideas and discuss the most recent breakthroughs, trends, and critical challenges in the field of Nursing and health care.

Keynote talks, oral presentations, and poster presenters on advanced techniques, as well as papers in all areas of nursing in healthcare, will be included during the two-day educational programme. The Nursing Research 2021 Conference will look into advancements in nursing practice, management, and education in connection to health inequalities and a variety of other issues.

Nursing Research 2021 will provide a forum for nurses, educators, and researchers to share nursing research findings, best practise models, and creative ideas. It's a place where nursing students, teachers, deans, researchers, and leaders can come together to discuss issues that influence nursing education.

Why Nursing Research 2021?
