## Invitation

**Pulsus** brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders or rub elbows with pioneers across the globe. London is all set for an amazing event as Pulsus proudly presents the "**26th International Conference on Cancer and Oncology**" slated on **November 11-12, 2019** at **London, UK**.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Oncology from around the world to participate in the upcoming **Oncology 2019**. The meeting for this year will revolve around the theme "**Exploring Advancements in Cancer Research & Oncology**" thus relaying the most cutting edge findings in the field of Oncology. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Regards
**Oncology 2019**
Organizing Committee
