Past conference Report

ORTHOPEDICS 2022 REPORT

The "**3rd International Conference on Orthopedics"** was held by Pulsus Conferences during **December 05–06, 2023**, in **Dubai, United Arab Emirates**. The conferences, which focused on the subject "***Exploring the Future Aspects in the Field of Orthopaedics***" were a wonderful success, with distinguished keynote speakers from many reputed corporations and Universities making their brilliant presence and speaking to the crowd.

The event proceedings were carried out through a number of scientific sessions and plenary talks, and Pulsus would like to offer heartfelt gratitude to all of the honourable guests and keynote speakers of the 3rd International Conference on Orthopedics. We would like to express our heartfelt appreciation to all of the Honourable Guests and Keynote Speakers of Orthopedics 2022.

The Orthopedics 2022 committee would like to express heartfelt appreciation to all of the honourable guests and **Keynote Speakers** who have presented a beautiful discussion that helps the delegates and other attendees to get knowledge about the event's main course.
