PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. London is all set for an amazing event as PULSUS proudly presents the "13th International Conference on Osteoporosis, Arthritis and Musculoskeletal Disorders" slated on Sept 16-17, 2020 at Dubai, UAE.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Osteoporosis professionals from around the world to participate in the upcoming Osteoporosis 2020. The meeting for this year will revolve around the theme "**Osteoporosis and Musculoskeletal Disorders as primary health concern**" thus relaying the most cutting edge findings in the field of Osteoporosis. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

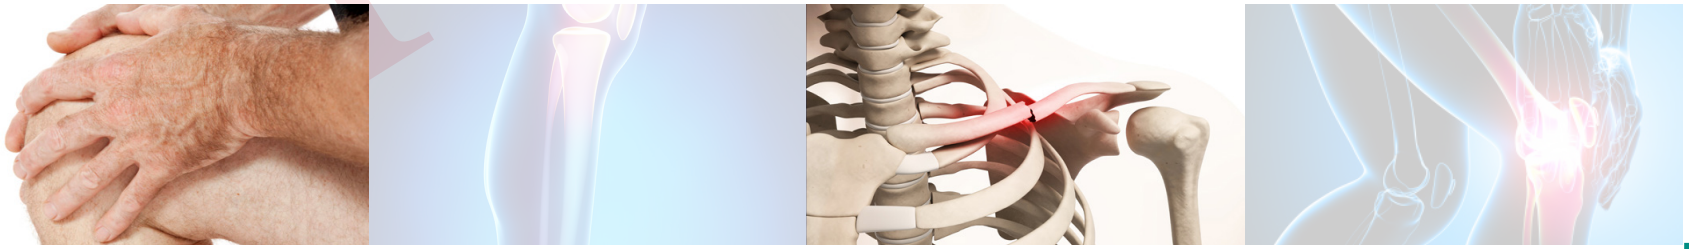

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

PULSUS
WWW.PULSUSCONFERENCE.COM

Osteoporosis is a disease which leads to weak and fragile bones due to low bone mass and loss of bone tissue. Osteoporosis means "Porous bone". Healthy bone is similar as honeycomb. Osteoporosis patients have much larger holes and spaces in bone. People who have Osteoporosis have a high risk of fracture and adequate intake of calcium in early life stage makes bone stronger. Arthritis is an informal way of referring to joint pain or joint disease. There are more than 100 different types of arthritis. It is most common in women and occurs more frequently in people of older age groups. A majority of women and old aged people have Osteoporosis and Arthritis. Arthritis is an informal way of referring to joint pain or joint disease. There are more than 100 different types of arthritis. It is most common in women and occurs more frequently in people of older age groups. Arthritis is the No. 1 causes of disability in nation. 1 in 4 people over age 18 & 1 in 250 children have arthritis. By the year 2040 more than 78 million people expected to have arthritis. Musculoskeletal Disorders or MSDs are disorders that affect the human body's movement or Musculoskeletal system. MSDs are preventable.

Target Audience

- Orthopedic Surgeons
- Osteoporosis
- Rheumatologists
- Orthopedics Students, Scientists
- Orthopedics Faculty
- Orthopedics Researchers
- Healthcare Analysts
- Healthcare Students
- Physicians
- Scientists and professors
- Medical Colleges
- Research faculty
- Academic Scientists
- Diagnostic laboratory professionals
- Biomedical Engineers
- Medical Electronics
- Medical Industries
- Healthcare Sector
- Marketing, Advertising and Promotion Agency Executives Software developing companies

Who should attend?

- Surgeons
- Physicians
- Nurse
- Students
- Researchers
- Scientists
- Faculty
- Medical Colleges, Universities
- Manufacturing Medical Devices Companies

Why to attend?

- 10+ Keynote Speaker Session
- 50+ speaker faculty over 2 full days sharing Evidence Based Nursing practice
- 5+ Workshops
- 13 Interactive sessions
- Mixture of Health care units and Academia Delegates
- Networking

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

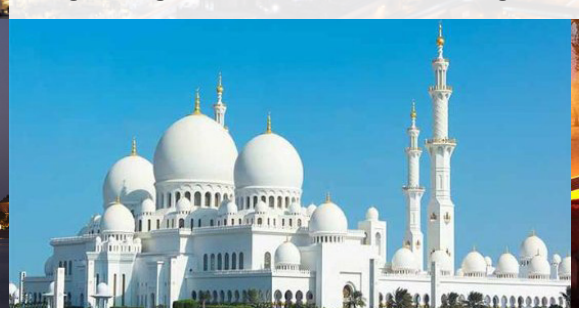

Dubai is the most populous and largest city in the United Arab Emirates (UAE). It is situated on the southeast shoreline of the Persian Gulf and is one of the seven emirates that make up the nation. The city of Dubai is situated on the emirate's northern coastline and heads up the Dubai-Sharjah-Ajman metropolitan territory. Dubai has developed as a global city and business center point of the Middle East. It is likewise a noteworthy transport center point for travelers and freight.

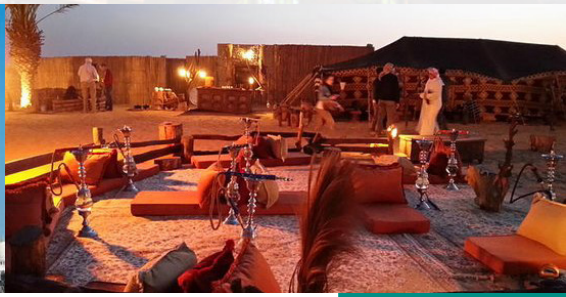

Dubai has attracted world attention through large construction projects and sports events, the world's tallest building, the Burj Khalifa. By 1960s, Dubai's economy was based on revenues from trade and, to a smaller extent, oil exploration concessions, but oil was not discovered until 1966. Oil revenue first started to flow in 1969. Dubai's oil revenue helped accelerate the early development of the city, but its reserves are limited, and production levels are low: today, less than 5% of the emirate's revenue comes from oil. The emirate's Western-style model of business drives its economy with the main revenues now coming from tourism, aviation, real estate, and financial services. Dubai has recently attracted world attention through many innovative large construction projects and sports events. The city has become iconic for its skyscrapers and high-rise buildings.

Dubai provides a world-class education and enormous job opportunities. The most well-known universities in Dubai are American University in Dubai, Hult International Business School, Al Ghurair University, The American College of Dubai, the University of Wollongong in Dubai and British University in Dubai offering courses in Business Administration, Engineering, Architecture and Interior Design.

Sponsorship

PULSUS
