About

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Madrid is all set for an amazing event as PULSUS proudly presents the "**9th International Conference on Otorhinolaryngology**" slated on October 9-10, 2019 at Madrid, Spain.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Otorhinolaryngology professionals from around the world to participate in the upcoming Otorhinolaryngology 2019. The meeting for this year will revolve around the theme "An insight into the atlas of medical otorhinolaryngology" thus relaying the most cutting edge findings in the field of Otorhinolaryngology. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.
