WELCOME MESSAGE

Connect with thousands of scientists, clinicians, manufacturers, and distributors at one of the world's largest Healthcare Conference. Booth space is selling quickly, and chances are your adversaries have already made their reservations. You don't miss this year with so many industry breakthroughs since last year and the willingness to return to live events.

Spine and Spinal Disorders: The Backbone behind Every Breakthrough

It is our pleasure to welcome you to the 12th World Congress on Spine and Spinal Disorders, taking place in Paris on November 2–3, 2026.

Spine 2026 brings together leading spine specialists, surgeons, researchers, healthcare professionals, and industry innovators from around the world to exchange knowledge and explore the latest developments in spinal care.

For exhibitors, this congress is more than a showcase it is an opportunity to connect, engage, and contribute to the future of spine care. Present your latest products, technologies, and solutions to a focused audience while building meaningful connections with experts and potential partners.

From advanced surgical technologies and spinal implants to rehabilitation solutions, diagnostic tools, digital health, and emerging innovations, Spine 2026 provides a platform to highlight your work and explore new opportunities within the spine care community.

We invite you to showcase your innovations, connect with industry peers, and be part of conversations shaping the future of spinal health.

Together, let's turn innovation into impact and advance better solutions for patients worldwide.

Thanks & Regards
Organizing Committee
Spine 2026
