Market Analysis

The worldwide women's wellbeing showcase estimate was esteemed at around USD 52billion in 2021 and is anticipated to extend at a CAGR of 7.9% over the forecast period. An increment within the population of ladies matured over 60, a rise within the appropriation of the unfortunate way of life propensities, and the presentation of novel solutions for ladies are a few of the components that drive advertise development. Moreover, favourable arrangements started by the government to progress women's wellbeing and raise mindfulness are likely to drive showcase development amid the estimated period. Ladies are at a better hazard of illnesses such as osteoporosis, osteoarthritis, iron deficiency, menstrual health-related disorders, depression, and corpulence. Consequently, expanding rates of these conditions are likely to boost the advertise development within the coming long time.

35 YEARS IN ASSESING THE IMPACT OF HEALTHCARE RESEARCH

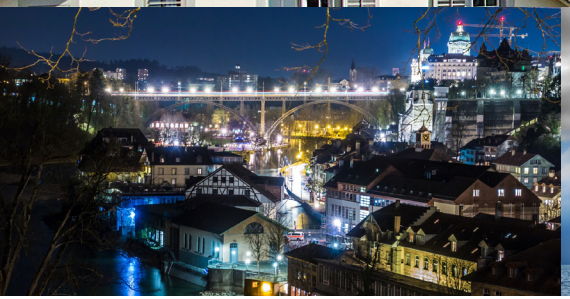

Zurich, being in the heart of Switzerland and in the centre of Europe, is one of the most important financial centres in the world.

It has a unique mix of well-preserved Old Town and hectic modern life having a magnificent view of the snowy Swiss Alps. Zurich, according to recent studies, is considered as the highest standard of living in the world.

This charming compact city is situated on the picturesque northern shores of Lake Zurich with the Limmat River, which flows out of the lake and runs through the scenic of the town. It is truly a perfect location for beautiful photos. During good weather conditions, you can see across the lake the Swiss central Alps.

More than 1200 drinking water sources that spread within the city make Zurich one of the fountain richest cities in the world. In addition, public parks like the “Platzspitz” widely extend among the city area
