About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

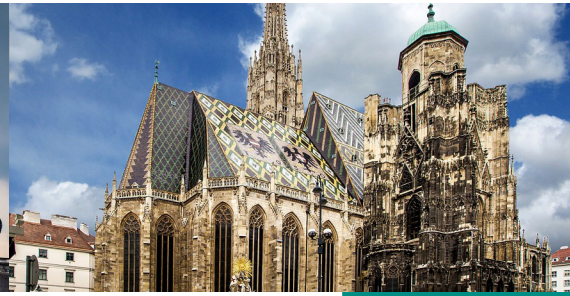

Vienna is the national capital, biggest city in Austria and it is the seventh biggest city by population inside city confines in the European Union. It was the biggest German-speaking city around the globe, and before the parting of the Austro-Hungarian Empire in World War I, the city had 2 million occupants. Today it is the second biggest German-speaking city after Berlin and just before Hamburg. Vienna is host to many significant global associations, including the United Nations, OPEC, and the OSCE. The city is situated in the eastern part of Austria and is near the borders of Czechia, Slovakia, and Hungary. These areas cooperate in an European Centrope border locale. Alongside close by Bratislava, Vienna forms a metropolitan district with 3 million occupants. Art and culture had a long custom in Vienna, including theater, drama, classic music and expressive arts. The Burgtheater is considered as probably the best venue in the German-speaking world close by its branch, the Akademietheater. The Volkstheater Wien and the Theater in der Josefstadt likewise appreciate great notorieties. There is also a large number of littler theaters, much of the time committed to less standard types of the performing expressions.

The UN-Habitat characterized Vienna as the most prosperous city in the world. Vienna routinely has urban arranging Congress and is frequently utilized as a case study by urban organizers.
