Tokyo is the World's most populous metropolitan area. It is the center of Japanese culture, finance and government. Tokyo is the largest among four main islands in Japan. Tokyo is also a major transportation hub and a world economic and industrial center. Travel in Tokyo is relatively safe, easy, efficient and inexpensive. The city boasts a large number of world class institutions of higher education, the highest concentration of universities in Japan. There one finds the Shinjuku Station, Japan's busiest train station with million passengers each day. The Ginza is the Tokyo's preeminent shopping district and the site of many upscale restaurants, galleries and bars. Tokyo have its Disneyland, a theme park at the Tokyo Disney Resort. Tokyo Disneyland was Disney's first park outside the US. The resort employs over 20,000 people. Tokyo's Imperial Palace is a major tourist attraction but the majority of it is closed to the public. The Tokyo's Skytree features the world's highest skywalk as well as presents a very beautiful view to its fewer daring visitors. Tokyo is one of the best shopping destinations in the world. Tourists can take advantage of tax-free shopping.

Abstract Submission

This program will give an opportunity to present research,unique techniques or clinical experiences oral presentations Each Plenary talk will be given 25 minutes. We recommend you plan to present for approximately 20 minutes with 5minutes for questions/discussion.

Delegate Participation

Participate in the program, where we pair experienced clinicians (mentors) with a small group of mentees to meet with throughout the conference. This exclusive benefit of delegates allows clinicians to ask questions, get advice, and build their network. Many delegates and speakers even stay in touch after the conference.

Young Research Forum

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers. Young Researcher Sessions are organized at the Annual Nephrology 2019, to provide a unique platform for Young Researchers/ Investigators for presenting latest research projects with an in-depth analysis. Young Investigators (e.g. Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty) are the focus of this event. All submissions must be in English.
