Invitation

PULSUS
WWW.PULSUSCONFERENCE.COM

PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. Berlin is all set for an amazing event as PULSUS proudly presents the "2nd Annual Congress on Advancements in Neurology and Neuroscience" slated on March 11-12, 2019 at Berlin, Germany.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of pediatrics and neurology professionals from around the world to participate in the upcoming Pediatric Neurology 2019. The meeting for this year will revolve around the theme "**Exploring the Recent trends in Pediatric Neurology and care**" thus relaying the most cutting edge findings in the field of pediatrics and neurologists. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

PULSUS
WWW.PULSUSCONFERENCE.COM

Pediatric neurology or child neurology refers to a specialized branch of medicine that deals with the diagnosis and management of neurological conditions in neonates (new-borns), infants, children and adolescents. The discipline of child neurology encompasses diseases and disorders of the spinal cord, brain, peripheral nervous system, autonomic nervous system, muscles and blood vessels that affect individuals in these age groups. Overall, about 40% to 50% of the patients treated in a typical Pediatric neurology practice have epilepsy, while 20% have learning difficulties or developmental problems and 20% are suffering from headaches. The remainder are treated for rare or unusual conditions such as metabolic or genetic disease. Many centres are equipped with the specialized facilities and knowledge needed to treat very specific c disorders such as rare neurodegenerative conditions, intractable epilepsy or Pediatric stroke.

Target Audience

- Pediatric Neurologists
- Pediatric Scientists
- Researchers
- Pediatric Nurses
- Neonatologists
- Pediatric doctors
- Educators
- Pharmacists
- Other healthcare professionals
- Industry professionals
- Directors/Managers/CEO's
- Presidents & Vice Presidents
- Brand Manufacturers/ Marketers of Consumer Products
- Marketing, Advertising and Promotion Agency Executives
- Student

Who should attend?

- Pediatric Neurology Researchers
- Pediatric Neurology Faculty
- Medical Colleges
- Pediatric Neurology Associations and Societies
- Business Entrepreneurs
- Training Institutes
- Industrial professionals
- Pediatric Neurology Investors

Why to attend?

Neurology Conferences provide an International platform for-sharing information and ideas and keeps on updating about the latest innovations and advancements in Neurology education. Opportunity to attend the presentations; delivered by Proficient Scientists from all over the world.

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

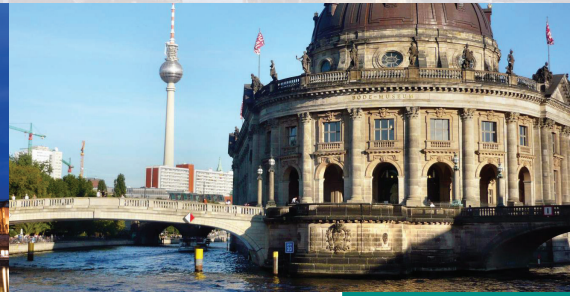

Berlin is more than 775 years old and over the decades, all generations have left their monuments and landmarks in town. Berlin itself is a monument to history and it is more than nine times the size of Paris, a cosmopolitan city full of alternative boutiques, innovative art, rich history and vibrant night life. Berlin is Germany's most important key features for biotechnology and health care for fastest growing economic sectors worldwide, stands second highest investment in research and development. The major pharmaceutical companies in the city are Bayer HealthCare and Berlin Chemie. Berlin is an increasingly popular location for international film productions. The city is well known for its festivals, diverse architecture, nightlife, contemporary arts and a very high quality of living. With such large number of offerings all pressed into one enthusiastic city, participants may wind up broadening their stay a day or two.

Sponsorship

PULSUS
