London is the capital and most swarmed city of England and the United Kingdom. Staying on the River Thames in the south east of the island of Great Britain, London has been a critical settlement for two centuries. It was set up – in all likelihood proximate to a starting at now subsisting Celtic Briton town or settlement – around the year 43 by the Romans, who allocated it Londinium. London's deep-rooted focus, the City of London, as it were, holds its 1.12-square-mile (2.9 km2) medieval breaking points. Since at any rate the nineteenth century, "London" has moreover suggested the city around this inside, genuinely part between Middlesex, Essex, Surrey, Kent, and Hertfordshire, which today, as it were, makes up More pervasive London, spoken to by the Mayor of London and the London Assembly.

London is the main worldwide city in expressions, business, finance, fashion, training innovation, human services, media, transport, tourism, research, and improvement. London is the worldwide place for Higher Education and research. As per QS World University Ranking, it has the most astounding number of global understudies. It is world's second most Economical great city and has the fifth-or 6th biggest metropolitan zone GDP on the planet.
