Having expanded along both banks of the Creek, Dubai's central business district is divided into two parts — Deira on the northern side and Bur Dubai to the south — connected by a tunnel and two bridges. Each has its share of fine mosques and busy souks, of public buildings, shopping malls, hotels, office towers, banks, hospitals, schools, apartments and villa.

Dubai has a tropical desert climate. because of its location within the Northern desert belt. Summers are extremely hot and humid. Most days are sunny throughout the year.
