ABOUT VENUE

The Emirate of Dubai, located in the United Arab Emirates, is one of the most developed cities of our time. It is governed by Sheikh Mohammed bin Rashid Al Maktoum. It is one of the cities that has become a destination for all races and all countries, and is characterized by the beautiful places that tourists from all over the world come to it, in this article we will give you the best places to visit. Burj Khalifa is one of the most famous places in Dubai. It is a symbol of its length. The tower is eight hundred and twenty-nine meters long. It is the tallest tower in the world. Most tourists visit this tower to see the magnificent view of the city through the terrace on the floor one hundred and twenty-four, and the scenes are frightening and pretty wonderful as seen by the bird from the sky. The tower is surrounded by beautifully landscaped buildings and Dubai's charming fountain, one of the most important towers in the world, is Burj Al Arab, the tallest hotel in the world. Dubai Museum This museum is located in Al Fahidi Castle, built in 1987 to protect Dubai Creek. The castle was also used by the ruling family in Dubai as a government building and prison. It was restored in 1991 and again in 1995 and is now one of the most important museums located in Dubai, and has plenty of traditional artifacts and artifacts for the area. Old City of Dubai This city was built in the 19th century and was an area of residence for rich Persian merchants. Their trade was based on pearls and cloth. There are many places to visit in this area, including Dubai Creek and wind towers.
