About City and Venue

Japan is without a doubt one of the busiest, craziest, more bizarre cities on the planet!! Tokyo is Japan's capital and the world's most populous metropolis. Tokyo offers a seemingly unlimited choice of shopping, entertainment, culture and dining to its visitors. The city's history can be appreciated in districts such as Asakusa and in many excellent museums, historic temples and gardens. Contrary to common perception, Tokyo also offers several attractive green spaces in the city center and within relatively short train rides at its outskirts.
