10TH INTERNATIONAL CONFERENCE ON PEDIATRICS, NEONATAL & NURSING CARE

SEPTEMBER 18-20, 2023 | ROME, ITALY

https://pediatricnursing.pulsusconference.com/

INVITATION

PEDIATRICS 2023

The "**10th International Conference on Pediatrics, Neonatal and Nursing Care**", scheduled to take place in Rome, Italy, from **September 18–20, 2023,** is one that **Pediatrics 2023** wishes you the honor and pleasure of attending.

The Pediatric Conferences 2023 offer the ideal atmosphere, and the theme "Introducing perspectives on modern pediatric trends" will inspire the delegates, lecturers, and researchers in the field of Pediatrics. We will provide fresh perspectives, convictions, Pediatric ideas, and Pediatric strategies in areas where no other Conferences have been able to do so owing to our strong Pediatric Conferences 2023 line-up of keynote speakers, knowledgeable participants, and Pediatric fascinating subjects. We kindly invite you to the Pediatric Conferences 2023, where we will explore the topics covered in the many theme sessions. People from all around the world get the chance to learn more about the expertise of pediatric doctors at the Pediatric Conferences 2023.

The Pediatric Conference 2023 will feature symposiums, unique keynote addresses, and workshops on child health care led by distinguished and well-known speakers who are experts in the field of Pediatrics. This Pediatric Conference 2023 offers the finest chance to motivate and sway the broadest group of contributors from the Pediatric healthcare sector as well as the general Pediatrics and neonatal community. Pediatric Conference 2023 will take into account the most interesting and latest developments in each area of study, providing a significant opportunity for Pediatricians and neonatologists from across the world to network, plan meetings, and debate recent advances in logic.

We hope you'll attend and recognize us at Pediatric Conferences 2023 and take some time to appreciate the area's distinctive look...

Regards
Sophie Megan | Pediatrics 2023
Organizing Committee

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The market for Pediatrics primary care will grow from a 2017 worth of 119700 million US dollars to 159600 million dollars by the end of 2025, with a CAGR of 3.7%. Comparatively speaking, China generates the majority of its income (US$585.30m in 2022).

The market for Pediatrics medical care was estimated to be worth USD 93.16 billion in 2021, and it is projected to reach USD 99.17 billion in 2022. The distinguished individual at Pediatrics conferences in 2023 will provide insight into the industry increase for 2023. The companies are competing for a sizable portion of the rapidly growing global Pediatrics market. The market is projected to reach USD 142.35 billion by 2027, growing at a CAGR of 7.32%. Due to a growth in the number of children (Pediatrics) with diseases and disorders in Asian countries like Japan, China, and India, the Asia Pacific is predicted to outperform all other regions by recording the highest CAGR of 6.5 percent during the forecast period of 2022–2029.

The market for Pediatrics in Europe was valued at $7,260.9 million in 2021 and is expected to increase by 7.2% annually between 2021 and 2031. In 2022, the Pediatrics field will generate US$76.71 million in revenue. The market is anticipated to expand by 0.64% yearly (CAGR 2022-2027).

TARGET AUDIENCE

- Pediatricians
- Neonatologist
- Gynecologists
- Childcare Specialists
- Pediatric faculty
- Pediatric Nurses
- Medical Colleges
- Pediatric Physicians
- Pediatric Societies and Associations

ABOUT VENUE

Rome is a city that needs little introduction, as it is one of the most famous and visited cities in the world. Located in central Italy, Rome is the capital of the country and the largest city in the region of Lazio.

The city has a long and rich history, dating back over 2,500 years, and it was the center of the Roman Empire, which was one of the most powerful empires in the world. Rome is home to numerous iconic landmarks and tourist attractions, such as the Colosseum, the Pantheon, the Trevi Fountain, and the Spanish Steps. These sites are visited by millions of tourists every year, and they help to make Rome one of the most popular destinations in Europe.

In addition to its historical and cultural attractions, Rome is also a major center for business, politics, and the arts. It is home to many international organizations and is a hub for international relations. The city is known for its beautiful architecture, delicious food, and vibrant culture, making it a must-visit destination for anyone interested in history, culture, or just a fun vacation..

Abstract submission opens: January 10, 2023 | **Registration opens:** January 10, 2023
Early bird registration: June 30, 2023 | **On spot registration:** September 18,2023
