6TH INTERNATIONAL CONFERENCE ON

PEDIATRICS AND PEDIATRICS HEALTHCARE

OCTOBER 17-18, 2024 | LONDON , UK

https://pediatrics.cmesociety.com/

INVITATION

PEDIATRICS 2024

Esteemed Colleagues and Distinguished Guests,

It is with immense pleasure and heartfelt warmth that we, the organizers of the 6th International Conference on Pediatrics and Pediatrics Healthcare, extend our cordial invitation to you. Join us in the historic city of London, UK, on October 17th and 18th, 2024, for an extraordinary convergence of minds and expertise.

This paramount platform is designed to unite a global network of experts, researchers, practitioners, esteemed society members, and business delegates in the field of Pediatrics and Pediatrics Healthcare. Together, we will delve into the latest advancements, exchange groundbreaking ideas, and forge meaningful collaborations that will shape the future of pediatric care.

Our diverse assembly will include Pediatricians, Scientists, Researchers, Pediatrics Doctors, Nurses, Educators, Pharmacists, and Healthcare Professionals, all united by a shared dedication to improving the well-being of children worldwide. London's rich heritage and academic prestige, combined with our stimulating program, promises an unforgettable experience.

Join us at the 6th International Conference on Pediatrics and Pediatrics Healthcare, where we will collectively pave the path toward a healthier tomorrow for our children. We eagerly anticipate your presence at this transformative event.

Regards,
Evelyna Juli | Program Manager
Organizing Committee | Pediatrics 2024

MARKET ANALYSIS

The pediatric digital health landscape has experienced remarkable growth in the past two years. AI-powered diagnostic tools have witnessed a 30% increase in adoption, enabling faster and more accurate diagnoses for children. Simultaneously, wearable technology designed to monitor children's health parameters has seen a 25% surge in usage, empowering parents and caregivers with real-time data.

Digital therapeutics (DTx), particularly those addressing mental health challenges in children and adolescents, have gained significant momentum. The utilization of DTx has soared by 40%, offering convenient and engaging interventions for conditions like anxiety and depression.

Telemedicine, facilitating remote consultations and care, has become increasingly vital. Its adoption has doubled in the past two years, expanding access to pediatric care, especially for underserved populations. Additionally, big data analytics has played a crucial role in driving a 20% rise in personalized treatment plans, contributing to more effective and tailored interventions for children.

TARGET AUDIENCE

- Pediatricians
- Neonatologist
- Gynaecologists
- Pediatrics Physicians
- Pediatrics Surgeons
- Pediatrics Nurses
- Childcare Specialists
- Pediatrics Gastroenterologists
- Pediatrics Hepatologist
- Academic Professionals
- Pediatrics Students, Scientists
- Pharmaceuticals Firms
- Business Entrepreneurs
- Chemists and Drug Specialists in
- Pediatrics Medicine
- Researchers & Consulting
- Companies
- Professionals from Healthcare
- Management

ABOUT VENUE

London, a vibrant metropolis steeped in history and culture, is renowned for its iconic landmarks, world-class museums, and thriving arts scene. From the majestic Buckingham Palace to the historic Tower of London, the city's rich heritage is evident in every corner.

The educational landscape of London is equally impressive, boasting renowned institutions like the University of Oxford and Cambridge, attracting students and scholars from around the world. The city's multiculturalism fosters a diverse and enriching learning environment, providing students with a global perspective.

Beyond its academic prowess, London is a world-class tourist destination. Visitors can explore the British Museum's vast collection of artifacts, take a ride on the London Eye for panoramic views, or catch a West End show in the vibrant theater district. The city's culinary scene is equally diverse, offering everything from traditional British fare to international cuisine.

London's robust economy is driven by its financial services sector, creative industries, and thriving tourism. The city's iconic red double-decker buses, black cabs, and bustling markets create a unique atmosphere that blends tradition with modernity.

October is a great time to visit London. The weather is usually mild, and there are many events and festivals to enjoy. Book your accommodations through Pediatrics 2024 to take advantage of special rates and ensure a comfortable stay during your visit to this dynamic and historic city.
