PULSUS brings in a new spin on conferences by presenting the latest scientific improvements in your field. Listen to motivating keynotes from thought leaders, or rub elbows with pioneers across the globe. PULSUS proudly presents the "World Congress on Petrochemistry and Chemical Engineering" slated on December 11-12, 2019 at Barcelona, Spain.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Petrochemistry professionals from around the world to participate in the upcoming Petrochemistry 2019. The meeting for this year will revolve around the theme "**Ground breaking Petroleum and Chemical Resource to Progress the Future** " thus relaying the most cutting edge findings in the field of Petrochemistry. The two day meeting is going to be an event to look forward to for its enlightening symposiums & workshops from established experts of the field, exceptional keynote sessions directed by the best in the business. It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with the world class researchers and an outstanding opportunity for businesses keen at expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. Register soon and avail exciting early bird discounts.

Organizing Committee

Conference Highlights

- Polymer Engineering and Science
- Petroleum Geology
- Scientific Exploration
- Seismic Survey
- Repository Simulation
- Drilling and Well Operations
- Refining Methodology
- Petroleum life cycle
- Innovate Simulation Modelling
- HSE Factor
- Nanoscience and Nanotechnology
- Chemical and Biomolecular Engineering
- Production Innovation
- Chemical Applications
- Petroleum channel and its Locomotion
- Remote Sensing Techniques
- Chemical Applications
- Digital Transformation Initiatives
- Chemical Safety Technology
- Development of Unconventional Resources
- Catalysis

About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

PULSUS
WWW.PULSUSCONFERENCE.COM

Petrochemistry is the division of chemistry which involves converting crude oil and natural gas into useful products. These useful products namely surfactants, rubbers, paints, dye, insulating materials, healthcare products, pharmaceuticals, plastics etc. plays a vital role in industries. Today, such assets are considered as a vital piece of present-day economy which makes Petrochemistry an unbelievably significant field. The Petroleum product life cycle includes three segments namely upstream, midstream and downstream. Upstream includes Exploration and Production of oil, midstream includes Refining and Processing and downstream includes Distribution and Marketing.

Target Audience

- Petroleum Students
- Scientists
- Petroleum, Oil and Gas Researchers
- Petroleum and Chemistry Faculty
- Chemical Colleges
- Petroleum Associations and Societies
- Business Entrepreneurs
- Training Institutes
- Software developing companies
- Manufacturing Companies
- Data Management Companies
- Petroleum engineering and Chemical Engineering companies
- Oil and gas companies
- Chemical Researchers

Who should attend?

- Petroleum students
- Petroleum societies and Associations
- Research Scientists
- Chemical colleges
- Petroleum, Oil and Gas Researchers

Why to attend?

- 10+ World renowned Keynote speaker session.
- 13 Interactive sessions.
- Mixture of Petroleum Associations and Academia delegates.
- Networking.

About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

Barcelona is an enchanting seaside city with boundless culture, fabled architecture and a world-class dining scene. The city was ranked Europe's third and one of the world's most successful as a city brand. Barcelona is a transport hub, with the Port of Barcelona being one of Europe's principal seaports and busiest European passenger port. Barcelona has a maritime Mediterranean climate with mild winters and warm to hot summers. Barcelona was the 20th-most-visited city in the world by international visitors and the fifth most visited city in Europe. Barcelona is the home of many points of interest declared World Heritage Sites by UNESCO which include Historic buildings and monuments, Museums and Beaches (Ice Barcelona, the world's first ice bar located on the beach). FC Barcelona is a sports club best known worldwide for its football team, one of the largest and the second richest in the world which has 74 national trophies. Many great painters and artists worked here at some time and their influence is still evident throughout the city. Two of which are Picasso and Miró who have museums dedicated to some of their more important works. There are also dozens of other museums and art galleries dotted all around the city.
