About City and Venue

PULSUS
WWW.PULSUSCONFERENCE.COM

Tokyo, one of the world's largest city in Japan, offers a uniquely eclectic mix of traditional and contemporary attractions. Enjoy and discover Tokyo, beyond during your stay for a conference.

Tokyo offers a seemingly unlimited choice of shopping, entertainment, culture and dining to its visitors. The city's history can be appreciated in districts such as Asakusa and in many excellent museums, historic temples and gardens. Contrary to common perception, Tokyo also offers several attractive green spaces in the city centre and within relatively short train rides at its outskirts.

Attractions

The cherry blossom is the national symbol of Japan. These trees flower for one or two weeks a year starting in April. This period is known as Hanami, the long-standing tradition of welcoming spring. This festival is about appreciating the temporary beauty of nature.

Tokyo Disneyland was Disney's first park outside the US. The resort employs over 20,000 people.

Count on seeing Mt. Fuji. Although it's well within viewing distance of the city, the mountain is only visible for certain period.

Make a trip to Tokyo and explore the city with wonders.

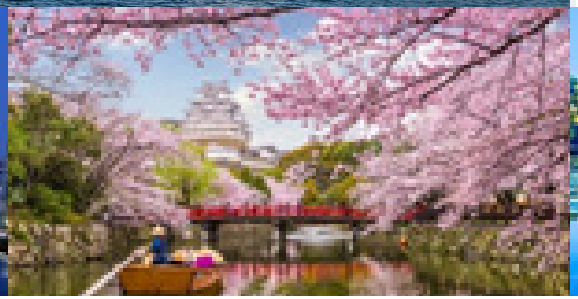

Travel

Travel to and within Japan is reasonably straightforward and generally very safe. Visitors from many countries can enter Japan without the need for a visa and the country's efficient and speedy transport system means tourists can quickly reach their desired destinations.

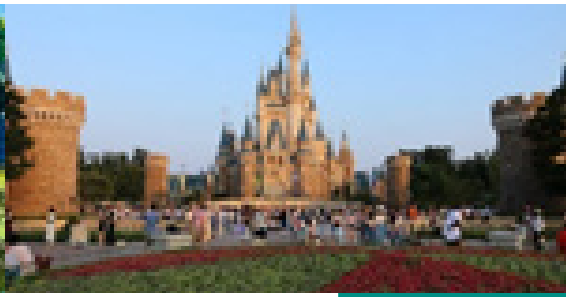

Food

The country boasts a vast array of tempting and exotic foodstuffs, the best of which are exquisite works of art rather than mere stomach-fodder. Many visitors to Japan visit the country to try its wonderful restaurants, some of which are Michelin star establishments
