Years Excellence

ABOUT US

Pulsus Group is an internationally renowned peer-review publisher in scientific, technical, and medical journals established in the year 1984 with offices in Ontario, Canada and Hyderabad, India has acquired Andrew John Publishing and openaccessjournals.com to expand its Open Access Publishing through its 50+ journals in association with 20+ International medical and scientific societies.

Pulsus through its cmesociety.com is been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international CME/CPD accredited conferences and meetings.

Pulsus Group is a Medical publisher that adheres to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. Pulsus Group takes pride in getting the endorsements of prestigious associations and societies like Canadian medical societies. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.Pulsus group is closely associated with globally renowned academic and research societies like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand.

MARKET ANALYSIS

The market for physical therapy rehabilitation solutions is anticipated to reach a value of US$ 23.1 billion in 2020 and grow at a CAGR of 7.7% during the following five years (2020-2027). In 2022, the physical therapy market had the greatest share with almost 35.0%. Discussions will be made in the current market state, innovations, controversies along with the solutions in the field of Physical therapy & Rehabilitation in the Physical Medicine 2023 conference One major element that led to the market's expansion was the use of physical therapy for a variety of illnesses, including cardiovascular, musculoskeletal, neurological rehabilitation, sports injuries, and pain medicine.

TARGET AUDIENCE

- Physiotherapist
- Rehabilitation Medicine Doctor
- Occupational Therapists
- Acupuncturist
- Neurologist
- Speech Therapist
- Physical Therapist
- psychiatrist
- Rehabilitation Nurse
- Rehabilitation specialists
- orthopedic surgeon
- Rheumatologists
- Yoga Therapist

WHO SHOULD ATTEND

- Physicians
- Industrialist
- Nurse
- Physical Medicine Doctor
- Physical Medicine Professors
- Researchers
- Ph.D. Students
- Allied Health Professionals
- Business Delegates
- Medical college and Universities

WHY TO ATTEND

With Physical Medicine 2023, oral presentations, posters, seminars, and numerous interactive sessions offered by keynote speakers who shed light on the topic of Physical medicine and rehabilitation are all included. In order to develop the field of Physical medicine and rehabilitationt, this conference is focused on showcasing the most cutting-edge methods of treatment. WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.
An opportunity to build and reinforce strategic relationships within the office professional industry.
Time to network with industry colleagues and key decision makers.
A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.
Access to a broad network of industry partners from state and federal Government departments and the private sector.
Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.
Increased marketing opportunities including visibility on the conference website and associated marketing materials

DIAMOND SPONSOR
$10000

- Top billing logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Four complimentary registrations.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

GOLD SPONSOR
$7500

- Logo recognition (Chamber website, event website, invitation/publicity, event signage)
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- Three complimentary congress registrations.
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

SILVER SPONSOR
$5000

- Larger name recognition (Chamber website, event website, invitation/publicity, event signage)
- Two complimentary congress registrations.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- 50% discount on both Extra Delegate Registrations and Booth

ABOUT VENUE

London, the capital of England and the United Kingdom, is a 21st-century city with history stretching back to Roman times. At its centre stand the imposing Houses of Parliament, the iconic 'Big Ben' clock tower and Westminster Abbey, site of British monarch coronations. Across the Thames River, the London Eye observation wheel provides panoramic views of the South Bank cultural complex, and the entire city.

London has been described elsewhere in this article as a polycentric city. The map of Elizabethan London shows that fields and the river separated distinct centres: the City of London with its shipping, trade, and crafts; Southwark with its gardens, hospitals, and theatres; and the royal court at Westminster. The economy of contemporary London has evolved continuously from the three complementary elements of trade, administration, and leisure. London is one of a handful of trade centres—along with New York City, Tokyo, and Hong Kong—where dealers in currencies, equities, commodities, and insurance operate on a global scale. In the first half of the 20th century it was also a substantial manufacturing centre. In contrast to the other great cities of Britain, London's factory closures have been compensated at least partly by the city's dynamism in financial services and the media.

Abstract submission opens: December 01, 2022 | **Registration opens:** December 01, 2022
Early bird registration: January 01, 2022 | **On spot registration:** May 22, 2023
