ABOUT VENUE

"2nd International Conference on Physicians and Surgeons" will be held in London, which is arranged in the UK, London is both the capital and largest metropolis of both England and the United Kingdom. It has been a significant community for two millennia and is located on the river Thames in south-east England at the head of an estuary that extends for 50 miles (80 km) down to the North Sea. The London economy heavily depends on the leisure sector. According to a 2003 estimate, London is responsible for 25.6 events per 1000 inhabitants, approximately one-fourth of the entire UK leisure sector. According to official figures, the city is one of the four fashion capitals of the world and the third-busiest film production hub in the world. It also hosts more live comedy shows than any other city and has the largest theatre audience of any city in the world. London, one of the major global cities, has a significant impact on the fields of the arts, entertainment, fashion, commerce, finance, education, health care, media, science, and technology, as well as tourism, transportation, and communications..
