WORLD CONFERENCE ON

PHYSICIANS AND SURGEONS

FEBRUARY 01-02 | DUBAI, UAE

https://physicians.cmesociety.com/

INVITATION

PHYSICIANS CONFERENCE 2024

Greetings!

We are thrilled to extend our warmest invitation to you for the upcoming **World Conference on Physicians and Surgeons**, which will be held in the vibrant city of **Dubai, UAE** from **February 01-02, 2024**.

The Physicians Conference 2024 is a prestigious global gathering of medical professionals, researchers, and experts from diverse fields of medicine. This event serves as a platform for sharing knowledge, discussing breakthroughs in healthcare, and fostering collaborations to advance medical science.

Dubai, with its modern infrastructure and cultural diversity, is the perfect backdrop for this international event. The conference promises to be a unique and enriching experience, providing you with opportunities to connect with like-minded professionals, expand your knowledge, and contribute to the advancement of the medical field.

We look forward to your presence and active participation, which will undoubtedly contribute to the success of this conference.

Kindly save the date, and stay tuned for more details regarding registration, speakers, and program updates. We anticipate your enthusiastic response and participation in this momentous event.

Thank you for your attention, and we look forward to welcoming you to Dubai for the Physicians Conference 2024.

Regards

Catherine Merlin | Program Manager

Physicians Conference 2024 | Organizing Committee

CONFERENCE HIGHLIGHTS

ABOUT US

Since many years Pulsus has also been very instrumental to provide an invaluable channel for scientists and researchers to exchange ideas and research by creating a forum for discussing the possibilities of future collaborations between universities, institutions, research bodies and organizations from different countries through international conferences and meetings.

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

With a legacy of 30 years of excellence in Medical Publishing we are endorsed by various societies like International Academy of Cardiovascular Sciences, International Society of Addiction Medicine, European Biotechnology Thematic Network Association, World Federation of Paediatrics Intensive and Critical Care Societies, World Association of Medical Sciences, International Society for Ceramics in Medicine, Thalassaemia International Federation and World Association of Integrated Medicine to nurture the research and development for the beneficence of society.

MARKET ANALYSIS

The primary care physicians market was valued at USD 266.0 billion in 2022, with an expected 3.28% CAGR from 2023 to 2030. The growth is attributed to improved access to primary care, reducing healthcare costs and hospitalization rates. Primary care physicians offer early disease detection, chronic condition management, and preventive care. New models like direct primary care and concierge services aim to boost physician revenue by offering membership-based primary and preventive care, collaborating with Medicare and private insurers. Employed physicians mostly follow volume-based or mixed compensation models, but policymakers are pushing for value-based care. PCPs often work in small practices, but more are joining large physician groups or hospitals, with various ownership models.

TARGET AUDIENCE

- General Practitioners
- Specialists
- Surgeons
- Medical Residents
- Medical Students
- Nurses and Nurse Practitioners
- Hospital Administrators
- Pharmacists
- Healthcare IT Professionals
- Medical Researchers
- Public Health Professionals
- Global Health Practitioners

WHO SHOULD ATTEND

- Medical Doctors
- Professors and Academics
- Medical Scientists
- Clinical Researchers
- Surgeons
- Healthcare Administrators
- Nurse Practitioners
- Medical Residents
- Pharmacologists
- Medical Students
- Public Health Experts

WHY TO ATTEND

The Physicians Conference in 2024 is essential for medical professionals seeking to stay at the forefront of their field. This event offers unparalleled opportunities to engage with cutting-edge medical research, learn about the latest treatment modalities, and network with peers and experts. Physicians can gain valuable insights, stay updated on emerging healthcare technologies, and exchange ideas that can positively impact patient care. Furthermore, the conference provides a platform for professional growth, enabling attendees to enhance their knowledge and skills in an ever-evolving medical landscape.

WHY SPONSOR OUR EVENT?

Maximum exposure at a premier conference devoted to those involved in the office professional industry.

An opportunity to build and reinforce strategic relationships within the office professional industry.

Time to network with industry colleagues and key decision makers.

A cost effective way to reinforce your organization's brand and build brand awareness amongst a relevant audience.

Access to a broad network of industry partners from state and federal Government departments and the private sector.

Time to present latest innovations and new products or services to a pertinent audience, and showcase your expertise and capabilities.

Increased marketing opportunities including visibility on the conference website and associated marketing materials

ABOUT VENUE

Dubai, located in the United Arab Emirates (UAE), is a city that defies expectations and continuously redefines the limits of what a modern metropolis can achieve. Nestled along the southeastern coast of the Arabian Peninsula, this vibrant emirate has transformed itself from a humble fishing village into one of the world's most iconic and cosmopolitan destinations.

Cultural Harmony: Despite its futuristic skyline, Dubai has successfully preserved its rich Emirati heritage. Visitors can explore the historical Al Fahidi Neighborhood, wander through bustling souks (markets), and visit the Dubai Museum housed in the Al Fahidi Fort. The city's commitment to cultural diversity is evident in its many cultural festivals and events that celebrate the traditions of the UAE and its diverse expatriate population.

Climate: Dubai, UAE, boasts a desert climate characterized by scorching summers and mild winters. With virtually year-round sunshine and minimal rainfall, it's a paradise for sun seekers. Be prepared for soaring temperatures during the summer months, often exceeding 40°C (104°F), while winters offer more temperate conditions, making it an ideal time to explore the city's outdoor attractions.

Currency: The official currency of Dubai and the wider is the UAE Dirham, often denoted as AED (Arab Emirates Dirham). It is divided into 100 fils and is widely accepted in all sectors of the economy. While credit and debit cards are commonly used, it's advisable to carry some cash, especially for smaller purchases and in more traditional areas of the city. Currency exchange facilities are readily available throughout Dubai for the convenience of travelers.

City of Attractions: Dubai is a playground for tourists. Beyond its architectural marvels, you can explore the Desert Safari to experience the mesmerizing dunes of the Arabian Desert or visit the Dubai Aquarium and Underwater Zoo in the Dubai Mall. For adrenaline junkies, there's indoor skiing at Ski Dubai, and for a taste of Emirati heritage, the Global Village offers a cultural extravaganza.

Dubai is a city where tradition meets innovation, and luxury coexists with authenticity. Whether you're drawn to its architectural marvels, its cultural tapestry, or its business opportunities, Dubai is a destination that never fails to leave a lasting impression, making it a must-visit for travelers seeking a unique and unforgettable experience.
