About Pulsus:

- PULSUS conferences act as a catalyst on the research trends that really matter and spurring their adoption by exploring and disseminating cutting-edge information. Thus, mainly adhere to stringent peer-review procedure with a view to set an example in promoting standard medical research with integrity. As an ardent supporter of medical publishing, Pulsus Group closely associates with the Canadian and other international medical research associations like Canadian Society of Plastic Surgeons, Canadian Society for Aesthetic Plastic Surgery, Groupe pour l'Avancementde la Microchirurgie Canada, Canadian Society for Surgery of the Hand. It publishes a wide range of medical journals that focus on medical specialties like cardiology, Integrative Medicine, Surgery and Reproductive Medicine.
- Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.
- Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. We want our conferences, societies, associations and the technology communities and companies who participate in them, to include, encourage, and recognize people of all races, ethnicities, genders, ages, and abilities. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

The Physiotherapy Services industry has benefited from Australia's ageing population and rising private health insurance coverage over the past five years. Many baby boomers have reached retirement age and are becoming more susceptible to injuries that require physiotherapy. Physiotherapy services have also become more affordable for households over the past five years, as disposable incomes have grown. Industry revenue is forecast to rise at an annualised 3.5% over the five years through 2016-17, to reach $1.6 billion. Slightly lower revenue growth of 2.8% is forecast for the current year.

Physiotherapy 2017 provides the best opportunity to meet eminent scientists from all over the world. Accepted papers will be published in the following Pulses Group Journals.

- Journal of Physiotherapy & Physical Rehabilitation
- Journal of Novel Physiotherapies
- Journal of Yoga & Physical Therapy
