Past Conference Report

Plastic Surgery 2023

January 23-24, 2023

Dubai, UAE

The **17th International Conference on Plastic Surgery & Aesthetic Medicine** was held on **January 23-24, 2023** in **Dubai, UAE** with the support of our Organizing Committee.

On behalf of the OCM panel, we extend our sincere gratitude to all the participants, speakers, sponsors, and exhibitors for attending **Plastic Surgery Conference**. Your valuable presence and contribution have made this event a grand success. We are grateful for your active participation in the discussions, activities, and sessions that enriched the conference.

We appreciate the support of the sponsors and exhibitors in making this event possible. We hope you found the conference informative and beneficial, and we appreciate your active participation in the various discussions and activities. We look forward to seeing you at future events. Thank you to all the participants for attending the Plastic Surgery conference.

On completion of our past series successfully we are happy to welcome you all to our upcoming series the **18th International Conference on Plastic Surgery & Aesthetic Medicine** which is planned to be held on **December 04-06, 2023** in **Dubai, UAE**. We would like to arrange this conference with your support to bring all the Plastic Surgery & Aesthetic researchers together on a single platform. We intend to be honoured with your help to organise Plastic Surgery 2023 at a grand level. Your support will be the key to the success of our future conference.
