About PULSUS

PULSUS
WWW.PULSUSCONFERENCE.COM

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

Pulsus Conferences explore the future by connecting minds and spreading brilliance at Pulsus Group annual conferences & meetings. Meet your colleagues, discuss your specialty, spread and aid, learn & grow in association with 1000+ scientific societies from The USA, Europe, The Middle East, Africa and The Asia-Pacific region. Pulsus group is closely associated with globally renowned academic and research societies.

Pulsus Conferences believe that true technology and innovation depends on hearing from, and listening to, people with a variety of perspectives. Pulsus Conferences enhances the technology for people from underrepresented groups by actively recruiting diverse speakers for our events, signing up a broad variety of authors for journals and videos, and taking part in ongoing conversations about the value of diversity in the communities we serve.

Market Analysis

The plastic surgery procedure is quite cheaper in Spain when compared to UK. The number of plastic surgeons in Spain is increasing. The demand for plastic surgery is increasing rapidly in Spain. The current statistics says that large number o women posses plastic surgery. It is found that 500,000,00 procedures have increased recently. Flights are frequent and you can easily reach from the nearby well-developed countries like UK, Germany, etc. Most of the plastic surgery clinics of located in Madrid pf Spain. Spain is more influenced for plastic surgery in Europe. It is found that plastic surgery in Spain is 30% cheaper than the neighbouring countries.

The global plastic surgery market is expected to grow high between 2020 to 2030. The surgical and non-surgical procedures of plastic surgery are proposed for enhancing and reshaping of various body structures to improve self-confidence. There is an improvement in demand for the anti-aging cosmetic and procedures because of the rise in aging population. In order to preserve the youth among the aging population, the aesthetic surgeries are in high demand. The breast augmentation leads for long time. Liposuction is known as popular treatment modality in aesthetic surgery with unique consideration. Laxity of abdomen and excess skin that can result in weight fluctuation and pregnancy is the major candidate for the abdominoplasty.

About City and Venue

Madrid is the capital city of Spain. It is a metropolitan city with the population of about 7 million. There will be a considerable difference in the altitude of city with limits ranging from 540m in bank of the river Manzanares in southeast of the municipality. The quarter part of Madrid is widely covered by forest area. Climate of Madrid is quite mesmerizing, and the winters will be cool because of its altitude. Summers will be warm with average temperature and it depends on location. It has another name called as kingdom of Spain.

Madrid is considered as a safe city especially for tourist. Also, on the other hand it is considered as most dangerous city because of its large number of tourist population. Madrid is best for food when compared with Barcelona. It is the biggest city in Spain. This city is famous for beef and pork.

Madrid also have another name as “Bear and the Strawberry Tree”.
