# PAST CONFERENCE REPORT

With a great support from our Collaborators and Organizing Committee, PULSUS Conferences successfully completed the World Congress on

Primary Healthcare and Medicare Summit which was held at Rome, Italy on May 20-21, 2019.

We would like to thank our Organizing Committee Member and Key Note speakers comprising- Gerald C. Hsu, EclaireMD Foundation, USA; Nevzat Tarhan, Uskudar University, Turkey; Jonathan Juleta, UK; Elvira Ališahovic-Gelo, Bosnia and many more for being a great support for our event to be a grand success.

We would like to extend our thanks to our collaborators for their constant support. It wouldn't have been possible without the support of our Media Partners who helped us in promoting this event. We thank our Media partners for their support in helping us reach greater audience.

We also would like to thank all our Speakers, Poster Presenters and Delegates for taking out your time and sharing their research work with our peer network. We are very glad to have shared a great relationship with all these Attendees, associations and we hope to see even greater support in our upcoming events.

With a great response and feedback which we received at this event Pulsus Conferences is proud to announce our upcoming conferences in the Series of Primary Healthcare Conferences- "2nd World Congress on Primary Healthcare and Medicare Summit" at Paris, France on February 19-20, 2020.
