# Invitation

PULSUS
WWW.PULSUSCONFERENCE.COM

Following the prolific success of Primary Healthcare 2019, We are delighted to invite the researchers & experts from the arena of Healthcare to the "**2nd World Congress on Primary Healthcare and Medicare Summit**" which will be held from **February 19, 2020** at **Paris, France**. The Conference motto "**Healthcare: Our vision, priorities and strategies for future**" captures the collaborative spirit of the Conference which will be both a scientific and educational event. Medical Doctors, Registered nurses, Professors, Instructors, Executives, Dieticians, Research associates, clinicians, Public health professionals and many more from leading academies, corporations and medical research institutions, hospitals. The conference offers a unique forum for participants to exchange knowledge and experience in the prevention of healthcare-associated infections and control of diseases around the world. The most resonating topics will be addressed including quality of patient care, advanced methods in hospital epidemiology research and early results of major clinical trials in the field, improving prevention strategies using various implementation tools as well as social media, telemedicine, and simulation models. We hope that, despite an intense Conference program, you also will be able to get some glimpses of Paris, France. Paris is the first largest city in France and is a cosmopolitan and modern city, which has played host to many international organizations. We look forward to your active participation in the Primary Healthcare 2020, as well as to welcoming you to Paris, France on February 19-20, 2020 – please mark your calendars!

Regards
Primary Healthcare 2020
Organizing Committee

# About City and Venue

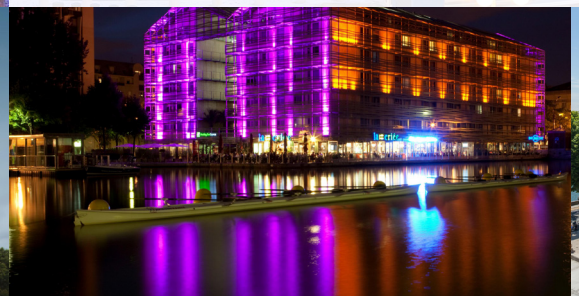

PULSUS
WWW.PULSUSCONFERENCE.COM

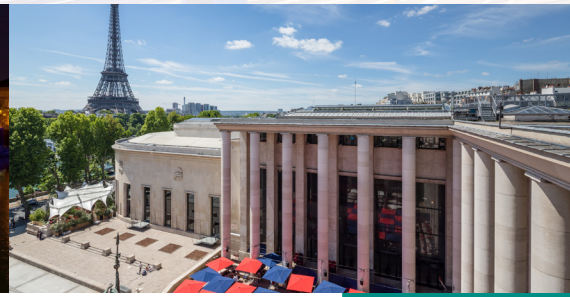

Paris, capital of France, situated in the north-central part of the country. Its nickname “the City of Light”, earned during the Enlightenment, remains appropriate because Paris has retained its importance as a center for education and intellectual pursuits. Paris occupies a central position in the rich agricultural region known as the Paris Basin, the city ringed with the forests of beech and oak known as “lungs of Paris”. Paris has been one of the most important and attractive cities in the world for centuries. It is appreciated for the opportunities it offers for business and commerce, study, culture and entertainment ; it particularly enjoys its gastronomy, haute couture, painting, literature and intellectual community. The economy of Paris is comprised of high finance, banking, and luxury tourist goods. The capital also offers 2,185 monuments, 206 museums and many other exceptional sites to the delighted cultural journey, and it has attractive Louvre Museum, Picasso Museum, Garnier Palace, Luxembourg Palace. Paris economy consists of high-finance, banking, and tourist luxury goods.

# Sponsorship

PULSUS
WWW.PULSUSCONFERENCE.COM

### Why Sponsor Our Event?
