INVITATION

PRIMARY HEALTHCARE 2022

On behalf of the Organizing Committee, we are delighted to welcome you all to the **3rd World Congress on Primary Healthcare and Medicare** Summit going to held on **July 09, 2022**.

Primary Healthcare 2022 is a top ten premier Conference around the Globe. Join Primary Healthcare and Medicare Summit to excel in the field of Healthcare. As we were rising from the grips of the Covid-19 pandemic and practicing the new normal, our team enchanted to have the opportunity to host this auspicious summit.

We looking forward to see attendees and industry leaders coming from various countries in the world to gather and discuss topics under our 2022 theme, "**Embellishing the feasible innovations in Primary Healthcare and Medicare**". Six plenary sessions covering recent scientific and clinical innovations in Primary Healthcare and Medicare are included in the Congress. We have included special sessions on discussing the Health Equity in the world.

Focused and evidence-based treatments of Healthcare by Healthcare Professionals have a great impact on the recovering the health of patients, suffering from Several Diseases, Disorders and health illness.

We have international Speakers, advanced Healthcare Specialists and Professionals, Members from Healthcare Communities to enlighten us with various trends in the field of Healthcare Medicare. It provides attendees with an amazing variety of Scientific Talks, Workshops, and Exhibitions in which they may learn about innovations and related technologies that might help them to enhance their profession.

We trust that this Primary Healthcare 2022 will be enjoyable with pioneering science and education. It also provides delegates with great opportunities to catch up with friends from across the country and the world.

We really appreciate your attention and your valuable collaboration with Primary Healthcare 2022. Prague is waiting for you!

Regards
