12:45 - 13:00	**Title: The crucial role of CHI3L1 in vasculogenic mimicry formation of cervical cancer** **Nipaporn Ngernyuang** | Thammasat University | Thailand

13:00 - 13:15	**Title: Mental Health Care System: Patient in Focus** **Elvira Alisahovic-Gelo** | The Health Centre of Sarajevo Canton | Bosnia and Herzegovina
	Lunch Break 13:15-14:15
14:15 - 14:30	**Title: Adherent Placenta, sonographic overview** **Shady Saleem** | President at ASFMS | Egypt
14:30 - 14:45	**Title: New Immunomodulatory Targets and Next Generation Active Immune Checkpoint Control Immunotherapy** **Jian Ni |** Nuance Biotech (Shenzhen) Co. Ltd. | China
	Panel Discussion
	Session Tracks: Healthcare in Oncology and disease prevention
	Session Chair: Gregory M. Gurican | WellSpan Health |USA
14:45 - 15:00	**Title: Breast cancer induces tolerogenic state of healthy activated CD4+ lymphocytes, characterized by reduced PI3K, NFκB, JAK-STAT, JAK-STAT, Notch, and increased TGFβpathway activity** **Vladimir A. Smirnov** | Philips Research | The Netherlands
15:00 - 15:15	**Title: Lung cancer mimicking community acquired pneumonia** **Muhammad Idrees** | USA
17:30-17:50	**Title: Development of an attitude scale towards sexuality during pregnancy** **Neslihan Yilmaz Sezer** | Ankara University | Turkey **Vladimir Shapovalov** | Research Institute Krasnodar Regional Hospital
15:30 - 15:45	**Title: Primary healthcare on COVID-19 patients** **Ramachandran Muthiah** | Morning Star Hospital | India
15:45 - 16:00	**Title: A super-efficiency data envelopment analysis for ranking efficient surgical units of a hospital** **Aydin Teymourifar** | Kadir Kutay Ozgun|Gurkan Ozturk |Eskisehir Technical University |Turkey
	Poster Presentation 16:30 - 17:30
PP01	**Title: Plasma filtration (PF) effectively removes circulating pegylated liposomal doxorubicin (pld) and modifies chemotherapy-related toxicity in metastatic ovarian cancer** **Ondrej Kubecek** | University Hospital in Hradec Kralove | Czech Republic
PP02	**Title: Influence of NECC (Nutrition and Exercise Center for Cancer Patients) on survival and body composition in gastrointestinal cancer patients** **Nina G. Sautter** | Ludwig Maximilian University of Munich | Germany

PP03	**Title: Overexpression of MAGE-A1 in lung cancer: a novel biomarker for prognosis, and a possible target for immunotherapy** **Seyed Alireza Javadinia** |Mashhad University of Medical Science (MUMS) | Iran
PP04	**Title: Identify and characterize the cancer stemness role of maelstrom in hepatocellular carcinoma** **Shi Chaoran** | The University of Hong Kong |Hong Kong
PP05	**Title: Comparative Study of Rural and Urban Primary Health Centers of Ajmer Rajasthan India** **Rashmi Sharma** | India
PP06	**Title : The effects of contract mechanisms between the government and two private hospitals on the social benefit** **Aydin Teymourifar | Onur Kaya | Gurkan Ozturk** | Eskisehir Technical University|Turkey
PP07	**Title : Good health for all: An international perspective** **Samlee Plianbangchang** | World Health Organization | India
PP08	**Title : Great expectations – Building resilience with simulation** **Naomi Morick** | Alice Springs Hospital | Australia
PP09	**Title : Maternal and infant healthcare problems in the Gambia** **Mansur Sowe** | Ministry of Health | Gambia
PP10	**Title : Primary healthcare: The rise and decline of patient care** **Uche Nwabueze** | Maritime Administration | USA
PP11	**Title : Reduced complications of diabetes among female patients: A hypothetical strategy** **Jewel Ahmed Chowdhury** |Rafia Rahman| Bangladesh Medical Science Home |University of Dhaka| Bangladesh
PP12	**Title : The future of primary care is in thinking outside the hospital** **Ashwin Naik** | We Scale Impact | India

Thanks Giving & Closing Ceremony

*****Speaker slots are available*****

Tuseday, November 22, 2022 | Day 2	
Opening Ceremony	
KEYNOTE FORUM	
08:45 - 09:15	**Title: Ultra-low dose DPI is a cheap and effective potential therapeutic agent to prevent colitisassociated colorectal cancer** **Yue Kuai** | Zhejiang University School of Medicine | China
09:15 - 09:45	**Title: Transient resistance to DNA damaging agents is associated with expression of microRNAs-135b and -196b in human leukemia cell lines** **William T Beck** | University of Illinois at Chicago |USA
09:45 - 10:15	**Title: The Notch ligand DLL1 exerts pro-carcinogenic effects in human breast cancer luminal A MCF-7 cells** **Gabriela Silva** | iBET - Instituto de Biologia Experimental e Tecnológica | Portugal
10:15 - 10:45	**Title: Determinants of uterine rupture among cases of Adama City Public and Private Hospitals, Oromia, Ethiopia: A case control study** **"Fikru Abebe** | Ephrem Mannekulih |Abebe Megerso Adama Hospital Medical College | Ethiopia
Networking, Refreshments and Exhibition Area 10:45 - 11:15	
11:15 - 11:45	**Title : Effectiveness of sexual counseling based on PLISSIT model on sexual function of women with polycystic ovarian syndrome** **Fahimeh Golbabaei** | Mansoureh Jamshidimanesh |Hadi Ranjbar| Seyed Ali Azin |b Sedighe Moradi | Avicenna research institute | Iran
Plenary Sessions	
Session Tracks: Session on: Health promotion and disease prevention	
Session Chair: Denis Bouboulis | Advanced Allergy Immunology and Asthma PC | USA	
11:45 - 12:00	**Title: Prognostic value of CD8 Immunogradient indicators in tumour-stroma interface zone of colorectal cancer** **Ausrine Nestarenkaite** | Vilnius University Hospital Santaros Clinics| Lithuania
12:00 - 12:15	**Title: The Immunogradient of CD8+ cell density in the tumour-stroma interface zone predicts overall survival of patients with hormone receptor-positive invasive ductal breast carcinoma** **Dovile Zilenaite** | Vilnius University Hospital Santaros Clinics | Lithuania
12:15 - 12:30	**Title: Reactive carbonyl compounds of protein in patients' blood after surgical treatment of breast cancer** **Sabina Zhumakayeva** | Medical University of Karaganda| Republic of Kazakhstan

12:30 - 12:45	**Title: Results of enhance VHVs to promote health behaviors to decrease stroke risk by applied SSRT focus on specific risk factors among the people who live in Nonglak Chumpong district Nakhon Ratchasima, Thailand** **Patama Vajamun**| Institute of Nursing Suranaree University of Technology | Thailand
12:45 - 13:00	**Title: Healthcare innovation project - User-driven healthcare innovation via simulation in the fields of construction, product development and services** **Susie A Ruff** | RUFF & CO. Business Innovation & Copenhagen Business School | Denmark
13:00 - 13:15	**Title : The national policy for integral attention to human health and the implementation of care in Brazilian primary care: Advances, weaknesses and challenges** **Monica Guimaraes Macau Lopes** | Ministry of Health | Brazil
	Lunch Break 13:15-14:15
Session on: Telemedicine in healthcare | Provision of essential drugs	
Session Chair: Seda Karaman | Ondokuz Mayis University | Turkey	
14:15 - 14:30	**Title: The effect of complementary medicine (yoga and diet based therapy)** **Anwaar Anbr** | Marywood University | USA
14:30 - 14:45	**Title: How routine is follow-up monitoring of atrial fibrillation patients prescribed direct oral anticoagulants? A Case study of Irish GPs using a count model** **Ann Kirby | Aileen Murphy | Colin Bradley** | University College Cork | Ireland
14:45 - 15:00	**Title: Proper administration and scheduling of pediatric vaccination** **Litty Varghese** | SH Medical Centre | India
15:00 - 15:15	**Title: Prevalence and associated factors of the incorrect administration of Metered Dose Inhaler (MDI), dispensing a short-acting bronchodilator by COPD patients in primary care setting** **Saowapha Srisai| Korpchoot Tayakkanonta** | Songkhla hospital| Thailand
15:15 - 15:45	**Title: Radial artery catheterization on arterial puncture training arm manikin by novice anesthesia trainees, does body posture matters: A randomized, crossover, pilot study** **"Ummed Singh| Ajay Kumar|Ajit Kumar | Praveen Talawa**r All India Institute of Medical Sciences | India"
15:45 -16:00	**Title: Therapeutic efficacy of pilates with yoga exercises for the treatment of chronic postural low back pain - A comparative study** **Karthikeyan T** | Pradnya D | Bhadri |NIMHANS | India
Thanks Giving & Closing Ceremony
