Invitation

Pulsus Group is an internationally renowned medical peer-review publisher and conferences organizer established in the year 1984 publishes and hosts the work of researchers in a manner that exemplifies the highest standards in research integrity.

PULSUS cordially welcome researchers, academicians, students and business professionals in the field of Mental health from around the world to participate in the upcoming conference "**2nd Global Experts meeting on Psychiatry and Mental Health**" scheduled on June 17-18, 2019 at Rome, Italy. The meeting for this year will revolve around the theme "Emerging Concepts & Research Ideologies in Psychiatry for Mental Health Wellbeing" thus relaying the most cutting-edge findings in the field of Psychiatry and Mental Health. The 2 days meeting is going to be an event to look forward to for its enlightening symposiums.

Psychiatry 2019 is an ideal opportunity to take stock of the state of psychiatry in the 21st century and the direction of future developments. This Congress will be an excellent opportunity to share academic and clinical developments and research and to build on social interactions and support each other. The goal of our conference is to gather researchers, professionals and students from Mental Health and Psychiatry field to share their ideas and learn from their best.

Regards
